

## LAURENTIAN UNIVERSITY – PUBLICATION OF AWARD INFORMATION

As per Article 516 of the Canadian Free Trade Agreement (CFTA), Laurentian is releasing the following information regarding procurements covered under the CFTA:

### Limited Tendering:

- a. Complete SSR-UCR Hot Water Piping Upgrades Project per 17-TEN02
- b. Awarded to **Patrick Mechanical Ltd.**, Walden Industrial Park, 119 Magill Street, Lively ON P3Y 1K6
- c. Total contract value estimated at \$485,000.00 + Taxes CAD
- d. Award Date August 14<sup>th</sup>, 2017
- e. Reason for Limited Tendering approach - Emergency situation – Tender 17-TEN-02 was issued in July 2017 closing on August 3<sup>rd</sup>, 2017 as a result of finding a severely corroded and broken heating line with a tunnel from SSR feeding all of the heating needs of UCR in May 2017. Only 2 bids were received, one bidder has subsequently withdrawn their bid as they are now unable to complete the project in time. As a result we have a single vendor that is able to undertake the work per the schedule issued with the tender documents. As the project will require 8 weeks to complete and have heat restored we are unable to re-tender the project.

Date of issue: Monday, October 23<sup>rd</sup>, 2017

This notice will remain posted for **twenty-one (21) calendar days** – inquiries after this period may be directed as per below.
