Students entering Ontario universities today have access to a growing variety of world-class electronic information resources that are accessible to them 24x7x365. Our libraries are leaders in transforming traditional library services by adopting innovative technological solutions such as ScholarsPortal, a shared gateway to scholarly resources and RACER, a province-wide interlibrary loan service. Through these resources and services, our libraries are preparing students for today's world of information. Our libraries also provide a wide array of unique resources, services, and facilities. K2a – Key Performance Indicators (KPIs) - Graduation Rates

Social Science	50.0%
K2a2 – KPI, Degree Completion Rate for Undergraduate Cohort, New Year 1 students	
Total new full-time, year one undergraduate students enrolled in fall 2007	1,631
Total students reported above who graduated by 2014	1,180
Overall Graduation Rate	72.3%

Graduation Rates: MAESD has calculated graduation rates using a single entering cohort of students and determining whether or not they graduated within seven years. The methodology employed involves the selection of all new full-time, year one undergraduate students on the official Fall 2007 enrolment file, who have a valid (and unique) student ID number, and were seeking either a bachelor's or first professional degree. The subset was then matched against the records for students who received a degree (in any program) from the same institution during the most current seven-year period (2007 to 2014).

K3 – Retention Rate

Retention Rate, 2014 Cohort of Undergraduate Students

Year 1 to Year 2 Retention Rate:	84.5%

Retention Rate: the percentage of first-time, full-time, first-year students in a given fall term who returned to the institution in the next fall term.

Calculation of the rate includes data for the federated universities (Thorneloe, Huntington, University of Sudbury, and Laurentian University) and the collaboration with Georgian College, but excludes Algoma, Hearn, the Northern Ontario School of Medicine, and collaborations with Sault, Northern, Cambrian, and St-Lawrence College.
