

Greetings:

For the first time, the [Toronto Global Forum](#) (TGF) will go **fully virtual** and, for this special occasion, the International Economic Forum of the Americas is pleased to offer you a complimentary pass (free of charge).

This complimentary pass gives you **free virtual access** to the entire day of your chosen session. You may also register 1 or 2 business colleagues to attend.

The Forum will be held **online** this **October 26-28** and will focus on the theme ***Forging A Resilient Economy***.

Among the confirmed speakers for our online special edition, we are honored to welcome:

- **Hikmet Ersek** — President and CEO, Western Union
- **Marcie Frost**— CEO, California Public Employees' Retirement System (CalPERS)
- **Jacques van den Broek** — CEO and Chair of the Executive Board, Randstad Holding
- **Linda Hasenfratz** — CEO, Linamar
- **Blake Hutcheson** — President and CEO, OMERS
- **Suni Harford** — President, UBS Asset Management
- **Rajiv Shah** — President, Rockefeller Foundation
- **Carey Smith** — President and COO, Parsons Corporation
- **Strauss Zelnick** — Chairman and CEO, Take-Two Interactive

I invite you to [click here](#) to see the full preliminary program, which will continue to be clarified in the weeks to come.

Join us as we continue our commitment to be a unique opportunity of networking as well as a platform to exchange insights and share solutions on the major challenges facing the world today. So while you may not be able to shake hands, you can leave lasting impressions by engaging other participants in private online meetings and exchanges.

\*\*\* Please [complete your registrations here](#) before October 23<sup>rd</sup> (Limited places available). **Please register each participant who will attend the event.**

Looking forward to welcoming you to the Toronto Global Forum.

Sincerely yours,

Gabriel
