Laurentian’s Outdoor Adventure Leadership program was an ideal fit for me. I was taken by the campus’ natural landscape of forests, lakes and trails, which is an ideal setting for the program. Structured to blend education in kinesiology and physiology with leadership skills and outdoor adventure training, the program places a strong emphasis on teamwork and my classmates have become a family. I found a sense of belonging at Laurentian.

As a discipline of study, Business Administration is widely popular for its breadth of options, career outcomes and unlimited potential, as well as for the ongoing market demand for graduates worldwide. As such, our Business Administration programs attract students from around the globe. Here at Laurentian, you will find that international peers provide invaluable experience and context that enrich the classroom learning environment.

I originally began my studies in the Architecture program with a minor in Business.

I quickly discovered just how much I loved my business classes and decided to transfer to the BBA program full time.

I couldn’t be happier with my choice. I was able to customize my degree and with the smaller class sizes, I’ve built strong connections with faculty members and my peers.
