The City of Greater Sudbury

As the Northern Ontario hub for health, education, government, mining and retail, the City of Greater Sudbury offers the unique advantages of a metropolitan city while remaining a truly tight-knit community. Combined with its enviable natural setting of freshwater lakes and boreal forests, it offers outstanding quality of life.

Enjoy a blend of culture amidst nature. By land area, Greater Sudbury is the largest city in Ontario and as such, the great outdoors beckon. Expansive lakes and waterways, lush forests and varied terrain, a comprehensive network of groomed hiking, skiing, biking and snowmobiling trails, and nine provincial parks within a 90-minute drive await our students.

Beyond the busy life on campus, you'll find plenty to do and enjoy in your host city. From festivals, outdoor recreation and sports, to live theatre, museums, shopping, dining, and socializing, it's all within easy reach.

Leisure activities run the full gamut from adventure and arts, all the way to yoga and paddle boarding. There's something here for every aspect of your personality, interest, and energy level.

 **1,300** km of groomed multi-use trails

 **2,415** acres of conservation area

 **9** provincial parks within a short drive

 **165,000** individuals call Sudbury home

Did you know?

Greater Sudbury is considered a city of lakes as its landscape is dotted with over **330 lakes**, covering **601 kilometres**.

Greater Sudbury has efficient and economical public transit and is relatively easy to navigate by car or on foot.

For more information, visit discoversudbury.ca.

Better yet, arrange for a visit or a tour with us now at **1-866-451-8525**.

A campus like no other

Located on the traditional lands of the Atikameksheng Anishnawbek, our campus is nestled among five freshwater lakes.

Our natural setting is minutes from the downtown area and is comprised of more than 765 acres of land that adjoin the vast Lake Laurentian Conservation Area. Nature is at the core of the university's identity, and learning here, in this awe-inspiring natural environment, is a true pleasure for the senses.

Attended by nearly 9,000 students, Laurentian is moderate in size, and features amenities within close proximity. For those 1,600 students in residence, there is no need to arrange for transportation, and getting that extra sleep in the morning is a real advantage for many of them. Forgot something in residence? Not a problem, as it is only a minute or two away.

The downtown area, where the University's new McEwen School of Architecture is located, can be accessed within minutes by hopping on one of the many transit buses that commute back and forth to the main campus. The School is located at the intersection of Elm and Elgin streets.

You can also hit the beach! The Laurentian campus boasts its very own beach on the shores of Lake Nepahwin. A popular private spot for Welcome Week activities, the beach is accessed within a short walking distance down the campus' well-groomed trails.

 **8,800+** students enrolled

 **60** renovated classrooms and teaching labs

 **14** research centres

 **1,600** students live in residence

Did you know?

The view from the 11th floor of the **R.D. Parker Building** showcases a full panoramic vista of the entire campus and its natural surroundings. It is the **tallest vantage point in Sudbury**.

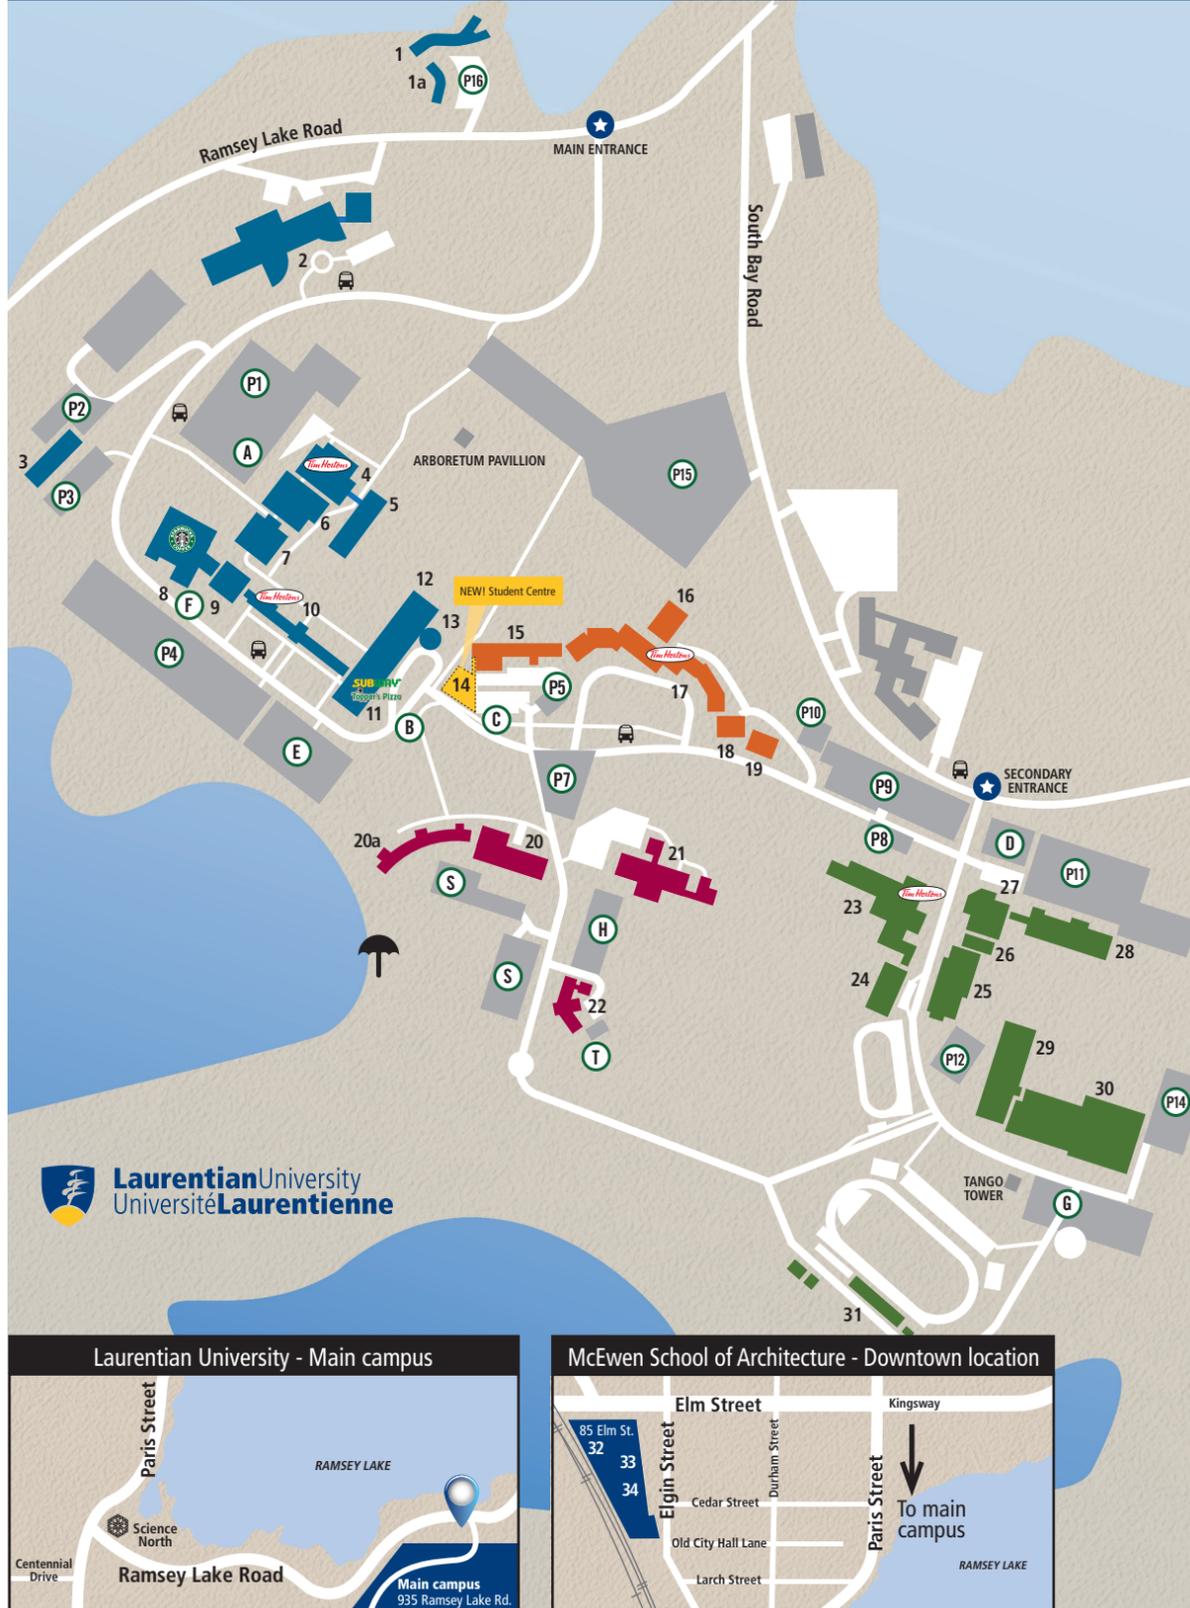

Laurentian students have access to a **private beach**, located on campus, minutes from class.

Laurentian is the only university in the province to have a **planetarium** (the largest in Northern Ontario) and an on-campus **observatory** for everyone to enjoy.

 **10 spots** to discover on your tour!

- McEwen School of Architecture ✓
- Indigenous Sharing and Learning Centre ✓
- Parker rooftop view ✓
- Founders' Square ✓
- Private beach ✓
- Indoor and outdoor tracks ✓
- Climbing wall ✓
- Olympic-size pool ✓

Considering residence as your new home base?

The convenience of living in residence should be a consideration you take into account. Steps away from classes, our eight residences offer all of the amenities of home and provide you with a jump start on student life. Over 1,600 students are currently campus residents, living in either dorm-style or apartment style accommodations.

Students residing in a Laurentian University residence (Single Student, University College, West Residence and East Residence) are required to purchase a meal plan. These plans differ greatly, from an all-inclusive package to a light eater option. Prices range from \$4,977 to \$3,800 for the academic year.

8 student residences

1,600+ residence rooms

100s of residence activities

24/7 access to staff

Food services at Laurentian are operated by Chartwells. Ranging from a market-style experience in the Dining Hall to chicken parmesan on a baguette at the Café Bistro, you'll find plenty of fresh fare to satisfy your appetite.

Dining options on campus

Marché style dining awaits meal plan holders in the Dining Hall. On the menu, a variety of fresh produce and healthy meal choices, including options and accommodations for those with special dietary needs. In addition to the Marché, students can enjoy fare at the following locations on campus:

- The Grille
- Smoke's Poutinerie
- Tim Horton's (4 on-site locations)
- Starbucks
- Subway
- Topper's Pizza
- Pub Downunder
- Cravings
- Quesada, Burritos & Tacos
- Café Bistro
- Marché Alphonse

Support services at Laurentian

Our students thrive in an environment that supports their academic success. It all starts with a personalized approach to teaching, extensive infrastructure for individual student coaching and assistance, and genuine caring for each student's wellbeing.

Academic and Orientation Support

Accessibility Services – Students with disabilities and facing academic challenges will find resources and assistance at our Accessibility Services Office located on the 2nd floor of the Parker Building in room P-230. The team is responsive to the unique needs of individual students and endeavours to provide a positive and equitable learning experience for all.

In order to ensure the best start to the postsecondary journey, a summer transition program – Laurentian Initiative for Transition (LIFT) – is offered to inform students of available

resources and offer transition supports for life on campus. New students are encouraged to contact and register at the Accessibility Services Office once they have accepted their offer of admission. A plan of accommodation can then be mapped-out early, in anticipation of the first academic year.

The Centre for Academic Excellence

– The CAE is the student hub for academic support! Located in the J.N. Desmarais Library, our friendly staff, mentors, tutors and coaches will help you reach your full potential by providing a full range of academic supports:

Transitions and Engagement – Take advantage of our engaging, informative and accessible orientation program designed to make your

transition to learning at Laurentian as smooth as possible. Be matched with a student mentor and join one of the many activities designed to prepare you for your Laurentian studies.

Academic Advising – our advisors can assist with degree navigation, setting educational, life and career goals, and developing essential study skills.

Learning Commons – one-on-one peer learning support through tutoring, academic writing assistance, study tips, presentation and exam preparation, research skills, and more.

Language Institute – assists second language learners in acquiring, integrating, and refining the language skills necessary for postsecondary success, with outstanding student support, multiple levels of entry, flexible starting dates, small class sizes, and TESL qualified and experienced teachers.

Programs include:

- English as a Second Language (ESL)
- English for Academic Preparation (EAP)
- University Preparation (UP) – an academic bridging program where students can take two 3-credit courses
- Short-term summer programs – Outdoor Adventure ESL Summer Camp and Study Abroad – Experience Canada
- Additional language support for Francophone students

Laurentian Online – Laurentian offers 23 degree programs and nearly 540 courses in online and/or blended formats (online, correspondence), many of which are available in both English and French. The offerings include undergraduate, masters, and certificate programs. All offerings provide the flexibility to complete a full program of study, complement on-campus study, to get ahead, keep up or catch up with your program of study as your schedule permits.

Laurentian Online provides:

- Online degree programs and courses
- College to online degree pathways
- Opportunities to learn from anywhere in the world
- Admission opportunities three times a year
- No annual or out-of-province administrative fees for part-time learners

Getting around

Student Bus Pass – UPass

In partnership with the City of Greater Sudbury, Laurentian University's student associations developed a universal bus pass program to provide an economical and environmentally friendly way for students to travel on and off campus and across Sudbury.

Our students enjoy unlimited city transit service throughout the academic year, making it easy to come and go at a moment's notice. Full-time students automatically obtain the bus pass for the academic year as part of their ancillary fees.

Parking

For students bringing a vehicle to campus, parking passes and metered parking options are available at various lots within walking distance to main buildings.

Our visitor parking rates are \$2 per hour, \$8 for the day and meters accept coins and credit cards. Pay and display tickets are only valid within the lots in which they are purchased.

Library and Archives – The Library and Archives, with services in the J.N. Desmarais Library and at the downtown McEwen School of Architecture, provides 1.5 million books, hundreds of databases, thousands of scholarly/scientific journals, and an extensive archival collection, with the local collection supported by a mostly-free interlibrary loan service.

The J.N. Desmarais Library provides group and quiet individual study areas, relaxed lounge study settings, an event space, as well as computers, printers and copiers for student use. Library/Internet research help is available in person, by video conferencing, by phone, by email, and through our Ask the Library chat service. Librarians provide drop-in and in-class workshops on such topics as searching databases and Google Scholar and using Zotero (for citation management).

The library's extended hours of operation are geared to student needs.

International student support –

International students will find that Laurentian provides a caring and supportive environment, with an experienced team that understands the distinct needs of a fast-growing cohort of international students. The staff will answer questions, make recommendations, help students navigate processes and protocols, and introduce students to their new community. Their thoughtful and proven approach ensure students adjust quickly to life in Northern Ontario.

Our humanitarian efforts, research, and collaboration span the globe. We are a member of the World University Service of Canada (WUSC), and participate in the Student Refugee Program, sponsoring students who flee conflict or persecution.

Join and challenge yourself in new ways and provide a meaningful contribution to global development by getting involved with the WUSC Local Committee.

Liaison Services – Our Liaison team is dedicated to serving the needs of prospective students. From school visits, campus tours and Open House, to one-on-one academic counselling, they have answers to every question and the latest information about our programs and services.

They are the University's frontline officers who ensure a smooth transition for all of our students, whether they're entering directly from high school, transferring from another institution or arriving from another continent.

Health, Wellness and Safety

Counselling Services – Bilingual and confidential short-term counselling services by skilled and qualified counsellors are available on site on the second floor of the R.D. Parker Building, in room P-230. Counsellors are on hand to confidentially discuss any personal issue and/or mental health concerns that may be impacting your well-being. They can also advise on a range of services that promote effective learning, growth and personal development.

Health and Wellness Services – Health and Wellness Services operate the on-campus medical clinic and look after student health-care needs. Registered nurses and nurse practitioners are on staff during regular office hours, and part-time physicians are available by appointment to offer primary health care. Their services include chronic disease management, health promotion and protection, disease and injury prevention advice and counselling.

Safe Space Program – We are committed to ensuring that the campus is an institutionally and culturally nurturing and welcoming place for gay, lesbian, bisexual, transgender, two-spirit, and queer students, staff, and faculty.

To achieve this goal, we have implemented a number of new programs and initiatives including the Safe Space training program that provides visible contact and support access points for members of Laurentian's LGBTQ2-S community. We've also adopted a 'Preferred Name' use procedure.

LUCERT Program – The Laurentian University Campus Emergency Response Team (LUCERT) is a student-led volunteer service that supports safety initiatives and emergency medical response on campus. The team, trained at a First Responder Level in CPR HCP, assists with events and the SafeWalk program.

Safe Walk Program – Operating daily from 8 a.m. until 2 a.m., SafeWalk is a free service that, upon request, safely escorts students, faculty, and staff anywhere they need to go on campus.

Campus Security – Laurentian's Campus Security team operates around the clock, 365 days a year. Campus security personnel oversee the safety of the campus community and the security of its infrastructure. Certified with a Ministry issued security license, all guards are trained in First Aid, CPR and the operation of defibrillators.

Operations include:

- 24 hours a day/7 days a week/365 days a year patrol and assistance
- security cameras across campus
- emergency telephone service, located near parking lot entrances
- emergency telephones with direct-line access

Work Alone Program – This upon-request service offers regular check-ins (and reassurance) by Campus Security to all students, faculty, or staff who find themselves working alone after regular business hours, in isolated areas of the University.

Laurentian is a safe and secure campus where prevention and service to the University community come first.

Other health, wellness and safety services on campus:

- Pride@LU
- Women's Centre

Residence and Family support

- Garderie Touche-à-Tout
- Laurentian Child and Family Centre
- Residence Office

Spiritual support

Multi-Faith Prayer Space – Our campus now features a new space to gather, meditate and pray on campus. Located on the third floor of the Parker Building in rooms P-356 and P-357, the Multi-Faith Prayer Space provides a haven for quiet reflection and prayer for individuals of all faiths.

Student career planning

Career and Employment Services – Located on the second floor of the R.D. Parker Building, in room P-230, Laurentian's Career and Employment Services provides permanent, summer and part-time career and employment support services for undergraduate and graduate students alike. Students can count on assistance in the development of career management skills. They can consult up-to-date external employment postings, on-campus job postings and internship opportunities, and take advantage of our job shadowing mentorship program, and on-campus career fairs.

Other services:

- Laurentian Bookstore
- Print Hub

Student Life – choose your involvement

The combined efforts of the student associations, student clubs, and residences make for a flurry of activities and events on and off campus: concerts, rallies, pubs, formals, powwows, political discourses, tours, tournaments, talent competitions – all await your arrival.

Social activities

As a Laurentian student, you'll find plenty to do and experience. The combined efforts of the student associations, student clubs, and residences make for a flurry of activities and events on and off campus: concerts, rallies, pubs, formals, powwows, political discourses, tours, tournaments, talent competitions – all await your arrival.

Some of the annual favourites that add to our unique student experience include: AirBanz, Model Parliament, Incontri Club's Festa Fiesta, and of course, the famous Pot Bangers' Game Nights.

Student clubs

Friendships and communities form quickly at Laurentian.

What better way to make that happen than to join one of our student-led clubs and organizations! No matter your interests, there is something for everyone, and if you don't find what you're looking for, it's easy to start a club of your own.

All you need are like-minded students who share a common interest. Both the Students' General Association (SGA) and Campus Recreation encourage and support the creation of new student-led group activities.

50+ assorted student clubs

20+ intramural sports annually

100s of student events

Student voices

Print and Radio: At Laurentian, students are heard.

Information and advocacy platforms abound with two student newspapers, LAMBDA and L'Original déchainé, and the campus and community radio station CKLU.

Association des étudiantes et étudiants francophones (AEF)

The AEF strives to promote French language and culture at the University and manages the political, academic, social and cultural needs and interests of its members. AEF is the only strictly French-language student association in the province and offers all of its services in French.

Services Offered:

- ✓ Advocacy
- ✓ Health and dental insurance plan
- ✓ ISIC discount card
- ✓ U-Pass (Sudbury Transit)

aef@laurentienne.ca 705-673-6557 monaef.ca @aef.ul

Graduate Students' Association (GSA)

All full-time and part-time graduate students are members of the GSA. The GSA represents and advocates on behalf of all graduate students. They also coordinate social and cultural events throughout the year.

Services Offered:

- ✓ Advocacy
- ✓ Business cards
- ✓ Health insurance plan
- ✓ U-Pass (Sudbury Transit)

gsa@laurentian.ca 705-675-1151, ext. 4356 gsa-aees.ca

Students' General Association (SGA)

The SGA advocates for students throughout the university and at the municipal, provincial and federal levels of government. It also provides services, opportunities and social and cultural events that enhance the student experience, such as Welcome Week, themed pub nights, contests, and more. From organizing world class events, concerts and activities, all the way to coordinating health and dental plans, the SGA is an integral part of student life here at Laurentian.

Services and Opportunities:

- ✓ Advocacy
- ✓ Employment
- ✓ Food Bank
- ✓ Graduation photos
- ✓ Health and dental plan
- ✓ Pub Downunder
- ✓ U-Pass (Sudbury Transit)
- ✓ V-Desk-information and ticket sales
- ✓ Welcome Week

sga@laurentian.ca 705-675-1151, ext. 1094 sga-age.com @sga.age

Student associations

Student associations provide a wide variety of services, offer a multitude of events, activities and opportunities for students to socialize, and continually advocate for student rights and well-being.

See us for...

- Health, vision care and dental insurance
- Club funding and networking
- Travel grants and supports
- Info, tips, advice, directions

Student centre

With a fall 2019 opening, SGA students now enjoy a centralized location to gather and socialize on campus.

East of the R.D. Parker Building and linked to West Residence, at the heart of the campus, the Student Centre serves as the hub between student living quarters, the main campus buildings and food services.

The functional space of the building features an atrium with study and lounge facilities, private study rooms, an open concept games room, a clubs room, and SGA offices and information desk (V-Desk). The building also includes space for a dental hygienist office, a photography studio, and spaces for pop up shops and future food services.

Mind, body and fitness

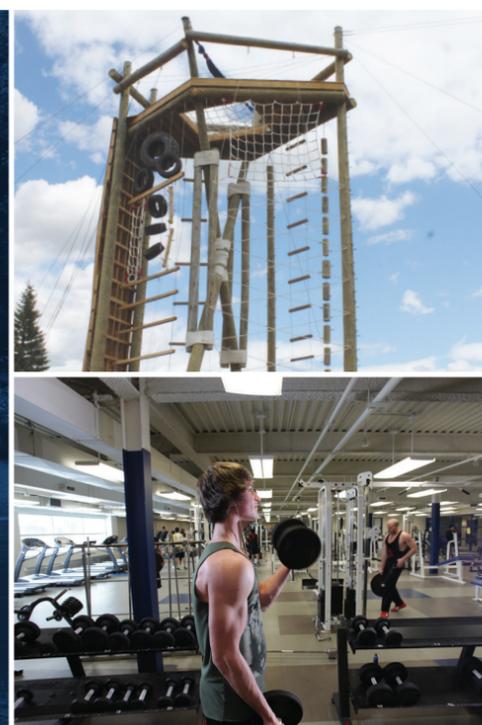

At Laurentian, we care about your well-being. We understand that a healthy lifestyle supports and strengthens academic success. Our multi-million dollar world-class recreation centre and surrounding outdoor tracks, trails, and fields provide the perfect setting for all your wellness goals.

Other fitness opportunities

In addition, just a few minutes from campus, the City of Greater Sudbury provides and maintains:

- ✓ Northern Water Sports Centre
- ✓ Rowing club
- ✓ Downhill ski facilities
- ✓ Skating path on Ramsey Lake
- ✓ Skating oval at Queen's Athletic Park
- ✓ Beautiful waterfront boardwalk
- ✓ Rainbow Routes Trails
- ✓ Parkland and gardens
- ✓ Cycling paths

Get moving...

Hit the gym – 7,200 sq. ft. of training workout space awaits along with a choice of three running tracks, four multi-use gymnasiums, two squash courts, two eight-metre climbing towers and a 50m Olympic-size swimming pool.

Open swim – There are 20 hours of open swim sessions available for students every week. Dive into our 50m Olympic-size pool, swim some laps or enjoy a leisurely dip.

Intramurals league – We offer many intramural sports opportunities annually so you can stay active all year. From floor hockey, soccer, and basketball to flag football and ultimate frisbee – join a team and have fun!

Voyageur club teams – There are countless opportunities to meet new people, to share interests and to make new friends by joining one of Laurentian's Voyageurs Club Teams. Try your hand or hone your skills at squash, fencing, cheerleading, dance, volleyball, wrestling, and more.

Outdoors...

Enjoy the fresh air – With five freshwater lakes, over 35 kilometres of multi-use trails, and a diverse natural landscape, the campus not only offers the perfect playground for outdoor enthusiasts, it also boasts some of the most spectacular views our unique northern landscape has to offer.

Stretch your legs – Take a lap around our outdoor 400-metre running track or indoor 200-metre practice track or head out into nature.

Try a winter workout – The Nordic Ski Trail System links the campus to a network of 11 kms throughout the adjacent Lake Laurentian Conservation Area. Set out for a snowshoeing or cross-country skiing adventure, or try ice fishing.

Hit the beach – The Laurentian campus boasts its very own beach on the shores of Lake Nepahwin. The beach is accessed via a short walk down one of the campus' well-groomed trails.

Challenge yourself – Climb Laurentian's new 50-foot Tango Tower. The tower is designed to help teach team building and leadership skills using physical activity, right here on campus.

Choose your sport – and reach new heights!

Our varsity teams' name – Voyageurs – conveys a sense of Northern Ontario's history and culture, as well as the spirit and tenacity of its residents.

It is also reflective of our Laurentian athletes' ferocious "trailblazing" drive and their reliance on one another to attain victory.

Ontario University Athletics (OUA) is the regional member of U SPORTS, and all Laurentian teams, with the exceptions of Nordic skiing, Golf, Baseball, Rowing, and Lacrosse, compete for U SPORTS championships.

All teams compete in the OUA conference with the exception of Lacrosse, which competes in the Canadian University Field Lacrosse Association (CUFLA).

If you see yourself competing for the
Voyageurs in our featured sports,
we want to hear from you!

Athletic scholarships

As a Voyageur athlete, you will be dedicating a great deal of time to your studies, training and competing, with fewer opportunities than most for part-time employment.

We recognize the importance of financial support for our athletes. Laurentian's athletic scholarships and entrance bursaries are generous and wide-ranging. It is important to investigate them early on and determine how to qualify.

Shout-out
to our remarkable athletes
who made 2018 - 2019
an exceptional year!

Francophonie at the heart of Laurentian

At Laurentian, 19% of the student population pursue their studies in French. As such, the learning environment is ideal for Francophones, Francophiles and Anglophones to improve and enhance their language skills in both of Canada's official languages.

Laurentian also offers you the unique opportunity to complement your degree with a Certificate of Bilingualism that you can obtain free of charge. To do so, you need to plan your studies and acquire a minimum of 15 credits in courses offered in English or French – whichever is not your language of study – during your program of study at Laurentian University.

In addition to its French-language programs and services, and thanks to its many partnerships, Laurentian has been contributing for decades to the vitality and development of a cultural and associative environment that is envied throughout Ontario.

With deep pride for our francophone roots, Laurentian became the first bilingual university to obtain partial designation under Ontario's French-Language Services Act on July 1, 2014. This designation symbolizes the University's efforts to support the growth and development of its francophone students. Therefore, don't hesitate to request services in French wherever you may be at Laurentian!

Sudbury selected as a Welcoming FRANCOPHONE COMMUNITY!

In Sudbury, French is the first language of almost a third of the population.

There is a definite francophone reality in Sudbury that is prevalent. Some pockets of the city such as le Moulin à fleur and several suburbs such as Val Thérèse, Hanmer, Azilda, Chelmsford and others thrive on their rich francophone heritage. Whatever your taste in music, theatre, visual arts, literature or history, Sudbury offers a wide variety of cultural organizations that respect all francophone identities, enhancing your stay during your university studies.

May 22, 2019

Sudbury has been selected as a Welcoming Francophone Community as part of the Government of Canada's Action Plan for Official Languages."

Immerse Yourself in Anishinaabe Culture

Our natural setting on the traditional lands of the Atikameksheng Anishnawbek is the ideal environment to learn, study and enjoy a balanced lifestyle rooted in Anishinaabe culture, values and traditions. Our campus is greatly enriched by an active and engaged Indigenous community and the shared-learning approach of our Indigenous Student Affairs office.

Ongoing engagement opportunities offered or hosted through the ISA's *niikaansidook* program include traditional ceremonies, language offerings, storytelling, celebrations, cultural workshops, lecture series, student project fairs, among many others. The ISA acknowledges that a sense of community and belonging are foundational in student success. The *niikaansidook* program can connect you with Elders and Knowledge Carriers who contribute greatly to the *mno biimaadziwin* of the community.

The Indigenous Student Affairs team provides a supportive learning environment and positive postsecondary experience for students of First Nations, Métis and Inuit ancestry.

The friendly, accessible and knowledgeable team offers:

- Academic Support • Counselling • Cultural and Social Programming
- Access to Elders • Advocacy

Celebrating Anishinaabe culture and sharing traditions and knowledge are part of everyday life on campus, thanks to the dedication and efforts of many groups:

- Indigenous Student Affairs
- Indigenous Studies Department
- School of Indigenous Relations
- Laurentian University Native Education Council
- Supporting Aboriginal Graduate Education Group (SAGE)
- Maamwizing Indigenous Research Institute
- Indigenous Students Circle
- Indigenous Social Work Students Council
- Traditional Anishinaabe Elders and Knowledge Carriers

Located at the heart of the campus in the **Indigenous Sharing and Learning Centre (ISLC)**, students can engage with the ISA team and peers, and enjoy:

- ✓ A spectacular multipurpose round-room
- ✓ Spacious study spaces
- ✓ Private rooms for counselling and consulting with Elder and Knowledge Carriers

The ISLC is a peaceful retreat for students.

Tuition and fees

Tuition at Laurentian University is among the most affordable in the province.

New incoming 2019-2020* Undergraduate Full-Time Canadian Citizens and Permanent Residents

ARCHITECTURE (30 credits)	\$9,709.00	\$1,133.34		\$10,842.34		\$880.40		\$10,589.40

Supplemental fees may apply to certain courses in addition to tuition. *Fees pertain to the 2019-2020 academic year. At the time of printing, tuition and incidental fees for the 2020-2021 academic year were not available. Please consult our website at laurentian.ca/fees-financing for up-to-date information.

Average Costs for Students based on eight months of full-time study in an undergraduate program –

this information provides a snapshot of what you can expect your budget to look like.

	Living at home	Living in residence or renting
Tuition fees	*\$6,000	*\$6,000
Incidentals/Activity fees (average)	**\$1,133	**\$1,133
Books/Supplies/Field trips	\$750	\$750
Accommodations/Housing (average)	\$0	\$7,050
Meals	\$0 – \$3,000	\$3,753 – \$4,877
Vehicle	\$0 – \$1,200	\$0 – \$1,200
Entertainment/Personal	\$750 – \$2,200	\$750 – \$2,200
Trips back home	\$0	\$500 – \$750
TOTAL RANGE	\$8,633 – \$14,283	\$19,936 – \$23,960

*Fees pertain to the 2019-2020 academic year. At the time of printing, tuition fees and incidental fees for the 2020-2021 academic year were not available.

**A student bus pass is included in Laurentian students' activity fees. See page 8 for more information.

Financial Assistance

Financial assistance can come in the form of scholarships, bursaries, loans as well as on-campus jobs. Our team is here to assist you in navigating the multiple options.

With so many Laurentian awards, campus jobs, and government funding options available, we can help you set a comfortable and manageable budget as you pursue your educational goals. The following is a small sampling of the many scholarships and bursaries available at Laurentian:

Academic Pathways Scholarships (\$1,000) – **Criteria:** Awarded to qualifying students who have transferred directly from a Canadian university or who are graduating from an Ontario College with an Ontario College two or three year Diploma, with a minimum GPA of 80%, who were registered full-time from September to April at the previous post-secondary institution (equivalent to 30 credits at Laurentian), and who are registering in a full time first degree undergraduate program. Application required.

Band Funding – Students who are sponsored by an agency (e.g. EI, Band, other) must provide a written confirmation. To avoid late payment fees as well as interest, students should submit their sponsorship letter at the time of registration. The letter can be faxed to the Fees Office, marked "Attention: Sponsorship Clerk" at (705) 675-4865 or emailed to sponsor@laurentian.ca.

Crown Ward – Laurentian University is pleased to announce that youth in extended society care will once again be eligible to apply for a full tuition exemption for courses at Laurentian. This program will be open to current and former youth in the care of the children's aid society, who are pursuing their first post-secondary degree. This funding will be extended to support the equivalent of ten full-time students and is available to students studying full-time or part-time.

Conditions

To be eligible for the tuition waiver, students must:

- Have been in extended society care in Ontario for a minimum of one year.
- Apply for non-repayable grant funding through full-time or part-time OSAP each academic year. Students are not required to apply for loan funding.
- Have exhausted any other type of available government funding available.

The waiver is valued at the total amount of tuition fees, less any OSAP non-repayable grant funding and/or any other provincial funding for which the student may be eligible. In order to qualify for the waiver, students must self-identify through the OSAP application process and provide the supporting documentation indicated below. Priority will be given to first degree, first-time applicants.

Applying for bursaries and financial aid

really does pay off!

560 distinct scholarships and bursaries available

\$10M in overall financial assistance awarded to students*

6,196 students received assistance*

604 Academic Excellence Awards presented to students*

Experiential Learning

Experiential learning is of utmost importance to the success of our students in the workforce. To that end, every effort is made to provide enhanced leadership development, entrepreneurship and applied learning opportunities in varied settings.

Practice makes perfect – The vast majority of our programs offer built-in practical application modules such as practicums, projects, field trips, travel-study experiences, community volunteering, consultancy and other discipline-related opportunities. Through these experiences, our students greatly enhance their skill sets while contributing directly to our communities.

Co-op Programs

Architecture

Business

- Business Administration
- Sports Administration

Computer Science

Engineering

- Chemical
- Mining
- Mechanical

Sciences

- Specialization in Chemistry
- Specialization in Biochemistry
- Specialization in Pharmaceutical Chemistry
- Spécialisation en Biochimie

The Foundry – The Foundry is an innovation, entrepreneurship, and leadership development program located within the beautiful Jim Fielding Innovation & Commercialization Space at Laurentian University. Through the hosting of regular events and workshops, the centre aims to support Laurentian students, staff, faculty, and alumni as they strive to develop entrepreneurial, creative and professional skill sets and launch entrepreneurial ventures on campus, from non-profit, to for-profit, to social enterprises. Activities are focused on supporting talent development, connecting entrepreneurs to the innovation ecosystem and highlighting impactful entrepreneurs. In addition to open collaborative spaces and dedicated meeting rooms equipped with whiteboards and video conferencing equipment, users also have access to a Makerspace facility with 3D printers, Creative Suite and other design software, and a laser cutter for training and product development purposes.

Stop by the Fielding Innovation Space or check out our calendar of events including Crash Courses, Guest Speakers, and more at foundry.laurentian.ca!

ENACTUS Laurentian – Business students are offered the opportunity to join and compete in projects and missions to improve the livelihood of the community through entrepreneurial action. Imagination, creativity, networking and business savvy are deployed as the key tools for engagement and change.

RBC Future Launch – A new venture by the Royal Bank of Canada, the RBC Future Launch program is being deployed at Laurentian. This 10-year initiative aims to help young people gain access to the skills, job experience and career networks needed for the future world of work. For Laurentian students, this means the university is working towards providing double the number of experiential learning opportunities by 2023, two new career-related academic courses, and enhanced technology to facilitate the career search.

Research – Laurentian offers many of its undergraduate students opportunities for research, thanks to its small class sizes and outstanding professor to student ratio. Having a chance to learn with leading experts in the field in the early stages of your postsecondary journey is one of the unique advantages of studying at Laurentian.

Other – You'll discover tons of other opportunities for experiential learning including travel abroad through LUGO (p.34), Work Study employment opportunities on campus, clubs, student associations, and learning experiences such as Model Parliament, competitions such as mine rescue, volunteer missions, cultural discovery expeditions, and more!

Customize your degree

At Laurentian, building and customizing your degree to include unique and/or complementary subject combinations can give you an advantage in the workforce. We make it easy for you to pair subjects you are passionate about and set you on a path to a rewarding and fulfilling career.

Courses and electives – Here's how it works: Each program will have a certain number of required specialized courses that must be taken in order to successfully complete the program of study. Electives are courses that allow you to explore other areas of interest that can expand your career options. You can group electives into one field of study to enhance and/or complement your degree, thus creating minors, concentrations, and majors.

4-year degree combinations (120 credits total)

1 Specialization (60 cr.)	+	---	+	60 elective credits	=	120 credits
1 Specialization (60 cr.)	+	1 Minor (24 cr.)	+	36 elective credits	=	120 credits
1 Specialization (60 cr.)	+	2 Minors (48 cr.)	+	12 elective credits	=	120 credits
1 Concentration (36 cr.)	+	1 Minor (24 cr.)	+	60 elective credits	=	120 credits
1 Concentration (36 cr.)	+	2 Minors (48 cr.)	+	36 elective credits	=	120 credits
1 Major (42 cr.)	+	1 Minor (24 cr.)	+	54 elective credits	=	120 credits
1 Major (42 cr.)	+	2 Minors (48 cr.)	+	30 elective credits	=	120 credits
2 Majors (84 cr.)	+	---	+	36 elective credits	=	120 credits
2 Majors (84 cr.)	+	1 Minor (24 cr.)	+	12 elective credits	=	120 credits

**In order to graduate with a four-year degree, you must complete a minimum of 120 credits.*

The chart above reflects the average number of credits required to complete the customized degree option. Please refer to each program for specific program requirements.

Note: Laurentian typically offers 3-credit (semester long) and 6-credit (fall and winter semesters) courses.

Undergraduate programs

Selecting a postsecondary program is one of the most important decisions on your journey towards a great career. Find your program of choice among Laurentian's wide variety of program offerings. To discover the details related to each program and to ensure our programs suit your academic needs and career aspirations, consult www.laurentian.ca for full program descriptions.

Graduate Studies

The Faculty of Graduate Studies is home to more than 870 graduate students who are at the frontlines of our extensive research initiatives. Our offerings have grown to include 21 Master's and eight PhD programs.

We offer an ideal environment for advanced learning, with small classes and the opportunity to pursue research alongside professors with international reputations. Our graduate curriculum builds on a solid tradition of innovative programs, creativity, collaboration, and groundbreaking research. We are proud of our value-added, high-quality graduate education that offers you every opportunity to become involved in the invigorating intellectual environment at Laurentian.

CERTIFICATE OF BILINGUALISM

Students who achieve at least 15 credits in each language – English and French – during their university studies at Laurentian can earn a Certificate of Bilingualism.

Online programs

Looking for a convenient way to reach degree qualifications? Laurentian Online's qualified staff can assist you with doing just that with full degree programs, certificates and graduate offerings, and the flexibility of online/distance delivery.

Whether you're currently in the workforce, transferring from college or university, looking for advancement or a new career path, or simply advancing your studies, it's time to consider your options:

BACHELOR OF ARTS (BA)

- Études interdisciplinaires (4-year major)
- Equity, Diversity and Human Rights (3-year concentration)
- Folklore et ethnologie (3-year concentration)
- Gerontology (3-year concentration)
- History (3-year concentration)
- Indigenous Studies (4-year major / 3-year concentration / 4-year specialization)
- Interdisciplinary Studies (4-year major)
- Psychologie (3-year concentration)
- Psychology (3-year concentration / 4-year major / 4-year honours specialization with non-thesis)
- Religious Studies (3-year concentration)
- Sciences religieuses (3-year concentration)
- Sociologie (3-year concentration)
- Sociologie (3-year concentration)
- Women's, Gender and Sexuality Studies (3-year concentration)

BACHELOR OF ARTS – MINORS (3-year with two minors)

- Community Leadership
- Criminology
- Cultural Expression
- Equity, Diversity & Human Rights
- Folklore
- Gerontology
- History
- Indigenous Healing and Wellness
- Indigenous Studies
- Langue et linguistique
- Psychologie
- Psychology
- Religious Studies
- Sciences religieuses
- Sociologie
- Sociology
- Women's, Gender and Sexuality Studies

GRADUATE PROGRAMS

- Master of Business Administration, MBA
- Primary Health Care Nurse Practitioner (PHCNP) Program, M.Sc.N.
- Programme ontarien de formation des infirmières et infirmiers praticiens en soins de santé primaire (IIP-SSP), M.Sc.

OTHER UNDERGRADUATE PROGRAMS

- Baccalauréat en sciences infirmières pour infirmières et infirmiers autorisés
- Baccalauréat spécialisé en Service social
- Bachelor of Business Administration, BBA 2+2 model (4-year) / An applicant must have completed a business diploma for admission to the online BBA program (2- or 3-year diploma)
- Bachelor of Forensic Identification Degree (3-year) / Offered exclusively to Forensic Identification Officers
- Bachelor of Indigenous Social Work (4-year) / The program prepares students for the provincial social work registration and license (OCSWSSW)
- Bachelor of Science – Interdisciplinary Science (3-year) / The program offers a combination of courses in biology, chemistry, geology, and physics

CERTIFICATES

- Études familiales
- Family Life Studies and Human Sexuality
- Folklore et ethnologie de l'Amérique française
- Gerontology
- Intervention auprès des femmes
- Planification financière en ligne
- Women's and Gender Studies

OTHER

- Attestation de développement professionnel – Soins cardiaques sur l'inforoute
- Cardiac Care on the Web
- Education – Additional Qualifications
- Faculté d'éducation – Qualifications additionnelles
- Finger Detection and Analysis
- Fire Scene Management and Investigation

Applying for admission Step-by-step

Applying to Laurentian is relatively simple and we are here to offer help should you need it. Whether you have questions relating to program requirements, deadlines, or even transferring credits from prior learning experiences, our team is available, ready and willing to assist.

STEP 1 | CHECK YOUR PROGRAM ADMISSION REQUIREMENTS

Refer to our quick reference chart on pages 30 to 39 for individual program requirements. The program list can be found on page 22. If English or French is not your first language, please consult our Language Requirements on page 27.

NOTE: Be sure to also check online for any updates and/or supplemental documentation required for your program at laurentian.ca/undergraduate-programs.

COLLEGE APPLICANTS: must complete a minimum of one year of college studies and be in good academic standing with an overall average of 65% to be considered for admission. Students wishing to apply to programs with specific requirements, must meet the course specific requirements in their college studies or through a combination of college studies, university studies and/or grade 12 U/M level courses.

For example: a student applying to a program requiring Chemistry, Biology and Math must present 2 semesters (college studies) of each required subject area, have completed a similar course at the university level, or have the equivalent grade 12 U/M courses.

College transfers who have successfully completed a 2-year or 3-year diploma are eligible for transfer credits towards their new program! Find details of your future postsecondary pathway on page 28.

UNIVERSITY APPLICANTS: must be in good academic standing with an overall average of 60% to be considered for admission. Students wishing to apply to programs with specific requirements, must meet the course specific requirements in their university studies or through a combination of university studies, college studies and/or grade 12 U/M level courses. University transfer students are eligible for transfer credits on a course to course basis based on program requirements.

OUT OF PROVINCE APPLICANTS: must meet Ontario academic equivalencies to be eligible for admission. Please refer to the table on page 27 for the mapping of requirements.

MATURE STUDENT APPLICANT: must submit a resume or CV, a statement of interest, and transcripts from all their prior studies.

To be recognized as a mature applicant, candidates must:

- be 21 years of age or older by the end of the academic year to which they have applied;
- have not attended a secondary or postsecondary institution for at least one calendar year prior to the beginning of their university studies;
- not be eligible for admission on any other basis.

If you require more information on admissibility to specific programs, please contact info@laurentian.ca.

HOMESCHOOLED APPLICANTS: must contact us directly as your assessment will be completed on an individual basis by the Manager of the Office of Admissions. Please contact us at admissions@laurentian.ca to begin the conversation!

STEP 2 | APPLY ONLINE

To be admitted for studies to an Ontario university, you must apply online through the Ontario Universities' Application Centre (OUAC) at ouac.on.ca as a 105 applicant. This application is for all domestic and international students applying outside of an Ontario High School. For more details on how to apply, please visit www.ouac.on.ca/ugrad-tutorials-ouac-105/.

For transfer credit assessment, please ensure that you submit transcripts from all prior studies at the time of application to be automatically considered for advanced standing*. If your program is currently in progress, please submit your most recent transcripts for conditional transfer credit assessment. The process would be finalized upon successful completion of your 2 or 3 year diploma or university courses and the submission of a final transcript. Please note that students completing a College Certificate are eligible for admission without transfer credits and all transfer credits are conditional upon completion of a 2 or 3 year diploma or university level courses with the required minimum average or grade as outlined in the Pathway Agreement chart on page 28.

NOTE: Official transcripts must be submitted in either English or French and sent directly from the host institution to Laurentian's Office of Admissions. Transcripts not meeting this criteria will require notarized translation.

APPLICATION DEADLINES

Limited Enrollment programs: February 1 for September entry (only)

Open Enrollment programs: January entry (December 1) / May entry (April 1) / September entry (August 1)

STEP 3 | RECEIVE A CONFIRMATION EMAIL

Once you have applied, you will receive an important email from Laurentian's Office of Admissions with information about creating your myLaurentian Applicant Portal profile at my.laurentian.ca. You should receive this email within two business days of submitting your application to OUAC.

Didn't receive the email? Check your email spam folder or contact info@laurentian.ca from the email address you used to apply.

FINAL STEP – ACCEPT YOUR OFFER!

You have received an offer from Laurentian. Your Offer of Admission will be posted in the Documents folder on your Applicant Portal. Carefully review the details and conditions of your offer, and review any transfer credits that have been awarded to you. To accept your offer, visit ouac.on.ca, log into your account, and follow the instructions to accept. OUAC will send your response to our Office of Admissions.

Alternate Offers – You may receive an Alternate Offer from our Office of Admissions. Take the time to review the offer and learn more about the suggested program(s) by consulting our website or speaking with one of our Liaison staff. Should you wish to be considered for an alternate open-enrolment program offered at Laurentian, please contact the Office of Admissions at info@laurentian.ca.

We look forward to welcoming you. Should you require assistance or would like to schedule a meeting or campus tour with Liaison Services, do not hesitate to contact us at info@laurentian.ca or 1-800-263-4188.

Note: If you are an international student, visit our website at laurentian.ca/international or email us at info@laurentian.ca.

STEP 4 | ACCESS YOUR PROFILE ON THE myLaurentian APPLICANT PORTAL

Congratulations! You are now being considered for admission to Laurentian! While you wait for a decision, we suggest that you consult your account on our Applicant Portal to ensure that you are aware of any supplemental information required for your application.

What is the myLaurentian Applicant Portal? The Applicant Portal is an online resource for students who have applied for admission. It allows you to interact with the Office of Admissions, to submit supporting documentation for your application, to access any supplemental forms required to process your application, to track the status of your application, to apply for a spot in residence, to receive information on fees, scholarships and bursaries, and much more!

To activate your Applicant Portal, visit my.laurentian.ca and have your student number ready.

STEP 5 | APPLY FOR OSAP

You could be eligible for a combination of loan and grant funding through the Ontario Student Assistance Program (OSAP). You can apply for the program online at www.osap.gov.on.ca. There is no application fee for applying, and you will receive an immediate estimate of the amount you are entitled to receive. OSAP funding is available to students studying part-time, full-time, on-campus, or with Laurentian Online.

STEP 6 | APPLY FOR SCHOLARSHIPS AND BURSARIES

Explore the Academic Pathway Award, as well as the other scholarship and bursary opportunities available to you on your Applicant Portal. The deadline to apply for scholarships and bursaries is March 1st, 2020.

STEP 7 | APPLY FOR RESIDENCE

Did you know you can apply for residence before you receive an offer? For more information on Laurentian University's Residence, see page 7.

Out of Province

Mapping your postsecondary journey is an exciting time in your life! Being well prepared requires some diligence. The quick-reference chart below outlines the requirements for admission to our programs of study. Ontario admission requirements are based on Grade 12 4U/M courses. For language requirements and a list of out-of-province Grade 12 equivalencies, refer to our charts below.

Grade 12 Course Equivalencies by Province

	ENGLISH	FRENCH	BIOLOGY	CHEMISTRY	MATHEMATICS	PHYSICS
ALBERTA	English 30 or 31 or ELA 30 or 31	French 30 or 31	Biology 30	Chemistry 30	Pure Math 30 or 31	Physics 30
BRITISH COLUMBIA	English 12 or English 12 First Peoples	French 12	Biology 12	Chemistry 12	Pre-Calculus or Calculus 12	Physics 12
MANITOBA	English 40S	French 40S	Biology 40S	Chemistry 40S	Applied Math 40S or Pre-Calculus Math 40S	Physics 40S
NEW BRUNSWICK	English 120 or 121 or 122	French 121 or 122	Biology 121 or 122	Chemistry 121 or 122	Math 121 or 122	Physics 121 or 122
NEWFOUNDLAND AND LABRADOR	English 3201	French 3200	Biology 3201	Chemistry 3202	Math 3200 or Math 3201 and Calculus 3208	Physics 3204
NORTHWEST TERRITORIES/ NUNAVUT	English 30 or 31 or ELA 30 or 31	French 30 or 31	Biology 30	Chemistry 30	Pure Math 30 or 31	Physics 30
NOVA SCOTIA	English 12	French 12	Biology 12	Chemistry 12	Advanced Math 12, Math 12 or Pre-Calculus 12	Physics 12
PRINCE EDWARD ISLAND	English 611 or 621	French 611 or 621	Biology 611 or 621	Chemistry 611 or 621	Math 611 or 621	Physics 621
QUEBEC (CEGEP)	One year of CEGEP with a minimum of 12 semestered academic courses from a diplôme d'études collégiales (DEC)/ pre-university program, including program prerequisites.					
SASKATCHEWAN	English A30 or B30	French A30 or B30	Biology 30	Chemistry 30	Math A30, B30 or C30	Physics 30
YUKON	English 12 or English 12 First Peoples	French 12	Biology 12	Chemistry 12	Pre-Calculus or Calculus 12	Physics 12

Language Requirements for All Applicants

If you wish to study in an English language program, and your first language is not English, you must meet one of the language requirements listed below in addition to the academic requirements:

- Three years of full-time senior-level studies in an English-language secondary school or postsecondary institution (official documents required) (evaluated on an individual basis; at the Admissions Committee's discretion)
- Test of English as a Foreign Language (TOEFL) (minimum score: 230 computer-based, 88 Internet-based)
- International English Language Testing System (IELTS - Academic) (6.5 minimum overall for direct academic entry with no band score lower than 6)
- Canadian Academic English Language (CAEL) Assessment Test (minimum score 70, with 60 in writing proficiency)
- Cambridge English Proficiency (minimum result: C)
- Pearson Test of Academic English (PTE) (minimum score: 60)
- Laurentian English for Academic Preparation (EAP) Level 3 with a score of 70% or higher
- Laurentian University Preparation (UP) with a score of 65% or higher

If you wish to study in a French-language or bilingual program, and your first language is not French, you must meet one of the following criteria:

- Three years of full-time study in a high school or postsecondary institution where French is the language of instruction (documentation must be provided by the student)
- A minimum grade of B-2 (intermediate-advanced) on the Test de connaissance du français (TCF), prospective students' version
- A minimum score of 14/20 (B2) at the written component of the Test d'évaluation du français (TEF)

College to university pathways – credit transferability

At Laurentian, your hard-earned college credits will be evaluated to determine compatibility with the learning outcomes of your new chosen program. Consult the general parameters of credit values in the charts below and the specific college program pathways which may apply in your case.

Transfer to the Arts		
COLLEGE STUDIES	GPA	CREDITS GIVEN
3-year diploma	80 - 100%	54 credits*
	70 - 79.9%	36 credits*
	65 - 69.9%	24 credits*
2-year diploma	80 - 100%	42 credits*
	70 - 79.9%	24 credits*
	65 - 69.9%	12 credits*

Transfer to other programs		
COLLEGE STUDIES	GPA	CREDITS GIVEN
3-year diploma	80 - 100%	36 credits*
	70 - 79.9%	24 credits*
	65 - 69.9%	18 credits*
2-year diploma	80 - 100%	30 credits*
	70 - 79.9%	18 credits*
	65 - 69.9%	12 credits*

*Depending on the degree of affinity with the student's college program.

Students who have successfully completed a college diploma or courses at a recognized university may be eligible for advanced standing and therefore likely eligible for transfer credits to programs offered at Laurentian.

Students who have completed one year of college studies are eligible for consideration for admission without advanced standing.

Transfer credits may be awarded based on prior studies, and can be determined once you apply for admission and submit official transcripts. Laurentian offers equitable credit value for previous studies, with special considerations based on grades and program affinity. To help you make the most of your previous educational experience, these fast-tracking options include a full roster of program articulations between Ontario colleges and Laurentian University.

If a pathway agreement has been established between your former college and Laurentian University, the transfer credits are already determined based on your GPA. For up-to-date pathway agreements between Laurentian and Ontario colleges, visit laurentian.ca/admissions/undergraduate/college-transfer-applicants.

Transferring from another university? Contact us at info@laurentian.ca for transfer eligibility.

At Laurentian, your previously earned college credits are recognized. Once we receive your official transcripts, we will review your individual academic records to determine how we can expedite your post-secondary journey.

I decided to earn my degree to expand upon my career opportunities. Given program compatibility and my GPA standing,

I was granted 72 credits towards my degree.

I'm now only 48 credits from completion and from an exciting new career.

Glossary of terms

Undergraduate Studies – Studies at the postsecondary level, typically for the achievement of a bachelor's degree.

Graduate Studies – Studies at the post-undergraduate level, typically for the achievement of a master's or doctoral degree.

Bachelor's Degree – An undergraduate program that covers a major area of study and that typically takes four years to complete.

Master's Degree – A graduate level program that follows the undergraduate degree and focuses on a particular area within a field of study. Typically, this one- to two-year program is comprised of a thesis or capstone project.

Doctoral Degree – The most advanced degree that symbolizes the mastery of a specific area of study or field of profession, it involves a major research project or dissertation. It typically takes several years to complete.

Full-time status – Enrollment in 18-30 credits per academic year

Part-time status – Enrolled in a minimum of 3 credits to a maximum of 15 credits per academic year

3-credit courses – Courses that run for a single semester (i.e. September to December or January to April)

6-credit courses – Courses that run for a full academic year (ie: September to April)

BA – Bachelor of Arts

BAS – Bachelor of Architectural Studies

BBA – Bachelor of Business Administration

H.B.Com. SPAD – Honours Bachelor of Commerce in Sports Administration

B.Cosc. – Bachelor of Computer Science

B.Ed. – Bachelor of Education

B.Eng. – Bachelor of Engineering

BFA – Bachelor of Fine Arts

B.H.Sc. – Bachelor of Health Sciences (Midwifery)

BPHE – Bachelor of Physical and Health Education

B.Sc. – Bachelor of Science

BScN – Bachelor of Science in Nursing

HBSW – Honours Bachelor of Social Work

3-Year Degree – requires a minimum of 90 credits

4-Year Degree – requires a minimum of 120 credits

Certificate – requires 30 credits within a distinct field of study

Concentration – A way of enhancing your degree by selecting a group of courses that are thematically related and requires a minimum of 36 credits within a distinct field of study

Major – Indicates a specialization by completing a minimum of 42 credits concentrated on one specific field of study

Minor – Indicates a small area of concentration by completing a minimum of 24 credits in a specific field of study

Specialization – Indicates a higher degree of specialization in a subject area by completing a minimum of 60 credits concentrated on one specific field of study

Important Dates

OUAC Application Deadlines

February 1, 2020
For limited enrolment programs
(for September entry only)

For semester starts for open enrolment programs:

- **submit on December 1, 2020**
(for January entry)
- **submit on April 1, 2021**
(for May entry)
- **submit on August 1, 2021**
(for September entry)

Open House

Saturday, November 2, 2019
THE Laurentian University event to attend; you will discover the facilities and learn every detail about what education and student life is like as a Voyageur!

Scholarship, Bursary and OSAP Application Deadlines

March 1, 2020
Scholarships and bursaries application deadline

June 30, 2020
OSAP recommended date to submit your Fall/Winter application (and all required documents) to receive funds at the beginning of the Fall term

Residence Application Deadlines

June 1, 2020
Residence accommodation deadline
