citizens call
Greater Sudbury
home

As the Northern Ontario hub for health, education, arts and entertainment, business, government, mining and retail, the City of Greater Sudbury offers the unique advantages of a metropolitan city while remaining a truly tight-knit community. Combined with its enviable natural setting of freshwater lakes and boreal forests, it offers an outstanding quality of life.

Choose your home away from home at the heart of a welcoming community.

- 330 lakes within the regional municipality
- 1,300 km of groomed multi-use trails
- 9 provincial parks within a short driving distance

*Take a scenic tour of
Bell Park in the heart
of the city.*

Our Campus

An environment in which you will thrive.

Nestled among five freshwater lakes, our campus is minutes from the downtown area and comprises close to 700 acres of land that adjoin the vast Lake Laurentian Conservation Area. Nature is at the core of the University's identity, and learning here, in this awe-inspiring natural environment, is a true pleasure for the senses.

Balance Your Lifestyle

As a Laurentian student, you'll find plenty to do and experience.

The combined efforts of the student associations, student clubs, and residences make for a flurry of activities and events on and off campus.

Student Centre

The Student Centre serves as the hub between student living quarters, the main campus buildings and food services. It's where you'll find the SGA offices and information desk (V-Desk) as well as a photography studio. The functional space of the building features an atrium with study and lounge facilities, private study rooms, an open-concept games room and a clubs room. Full access to SGA members, or otherwise through the purchase of a membership pass!

Your Success

Students thrive in an environment that supports their academic success.

Laurentian offers several services to support you while you complete your studies. These include academic advising, writing assistance, childcare services, financial support and so much more:

Online Courses/Programs – Laurentian Online offers online degree programs, in both English and French. Our full offerings include undergraduate, master's and certificate programs. For more information consult page 26.

Student Success Centre – The Student Success Centre helps students transition to university and stay on track throughout their studies. Our friendly staff, tutors, academic advisors, and coaches are here to help all Laurentian students reach their full potential. For more information, visit laurentian.ca/student-success-centre.

Childcare Services – There are two daycare providers right here on campus:

Garderie Touche-à-Tout: Provides childcare (en français) for children from birth to 6 years of age.

Laurentian Child and Family Centre: Provides full-time care for children from birth to 4 years of age. They also provide before/after school care along with a special summer program for children 4-12 years of age.

Laurentian students are prioritized for the on-campus childcare services. For more information, visit the following website: daycaresudbury.ca.

Certificate of Bilingualism

A valuable asset for your job search and career progression!

Laurentian offers you the unique opportunity to complement your degree with a Certificate of Bilingualism which highlights your language competencies and demonstrates that you are officially bilingual. To do so, you need to ensure that you acquire a minimum of 15 credits in courses offered in English or French – whichever is not your language of study – during your program at Laurentian.

Anishinaabe Culture

Celebrating Anishinaabe culture and the sharing of knowledge and traditions are part of everyday life on campus.

Experience. Learn. Share.

250+
activities,
workshops and
events

As a Laurentian student, participation is easy and one of the best ways to create a wide network of friends.

Some of the favourite ISA events and activities include: *Biidaabin*, Orange Shirt Day, Indigenous Student Celebration, Métis Cultural Day, *Nakiwin Tek*, Red Dress Campaign, Moose Hide Campaign, Ceremony, cultural teachings, and workshops, academic workshops and mental health awareness.

Ongoing engagement opportunities include traditional ceremonies, language learning, storytelling, cultural workshops, lecture series, student project fairs, which are hosted by the Indigenous Student Affairs office and the Indigenous Students Circle. Our campus is greatly enriched by an active and engaged Indigenous community and the shared learning approach of the Indigenous Student Affairs Office.

Experiential Learning

Choose meaningful learning opportunities beyond the classroom.

At Laurentian, we recognize that experience is essential to the success of our graduates entering the workforce. Experiential learning opportunities for our students are available in the form of enhanced leadership development, entrepreneurship and applied learning in varied settings to enhance their skill sets.

The Foundry – The Foundry is an innovation, entrepreneurship and leadership development program located within the spacious Jim Fielding Innovation and Commercialization Space at Laurentian. The Centre aims to support Laurentian students, staff, faculty, and alumni as they strive to develop innovative, creative, and professional skill sets and launch entrepreneurial ventures on campus. In addition to open collaborative spaces and dedicated meeting rooms, users also have access to a Makerspace facility with 3D printers, SOLIDWORKS® as well as other design software, a CNC Mill and laser cutter for training and product development purposes. Stop by the Fielding Innovation Space or check out our calendar of events at laurentian.ca/fielding-innovation-centre#calendar.

Co-op Experience – This extensive work-integrated learning experience offers students a chance to gain a full year of paid employment to complement their academic studies. Programs offering co-ops include: Architecture, Computer Science, Engineering (Chemical, Mining and Mechanical streams), Sciences (Specializations in Chemistry, Biochemistry, Pharmaceutical Chemistry and Biochimie).

Internships – Internships pair students with employers to complete placements that vary in length depending on the program. The format provides students with a chance to work in a professional environment and gain valuable experience while often leading to full-time employment opportunities following graduation.

Placements and Practicums – Practicums and placements provide unpaid work experience under the supervision of an experienced registered or licensed professional in programs that require practice-based work experience for professional licensure or certification.

Research – Laurentian offers many of its undergraduate students opportunities for research, thanks to small class sizes and outstanding professor to student ratio. Having a chance to learn with leading experts in the field in the early stages of your postsecondary journey is one of the unique, and powerful advantages of studying at Laurentian.

How does experiential learning enhance your in-class education?

- Gain professional work experience prior to graduation, resulting in enhanced career clarity and employability.
- Earn academic credit, and in some cases, wages while applying what you’ve learned.
- Strengthen interpersonal skills, self-confidence, and leadership abilities.
- Forge new relationships and create a network of professional and personal contacts.
- Connect and engage with prospective employers.

Customize Your Degree

Loving what you do is how you will live your life to the fullest. Laurentian provides you with the opportunity to focus on a pathway to the career of your dreams.

Building and customizing your degree to include unique and/or complementary subject combinations can give you an advantage in the workforce.

We make it easy for you to pair subjects you are passionate about while setting you off on a path to a rewarding and fulfilling career. Embarking on a journey that combines your aptitudes and interests is the best way to ensure you are passionate about your future career. Each program has a certain number of required specialized courses that must be taken in order to successfully complete the program of study. Electives are courses that allow you to explore other areas of interest that can expand your career options. You can group electives into one field of study to enhance and/or complement their degree, thus creating minors, concentrations, and majors.

Sample degree combinations* in BA and B.Sc. programs:

| 4 years | | | | | | |
|---------------------------|---|------------------|---|---------------------|---|----------------------|
| 1 Specialization (60 cr.) | + | --- | + | 60 elective credits | = | 120 credits / 4-year |
| 1 Major (42 cr.) | + | 1 Minor (24 cr.) | + | 54 elective credits | = | 120 credits / 4-year |
| 1 Major (42 cr.) | + | 1 Major (42 cr.) | + | 36 elective credits | = | 120 credits / 4-year |
| 3 years | | | | | | |
| 1 Concentration (36 cr.) | + | --- | + | 54 elective credits | = | 90 credits / 3-year |
| 1 Minor (24 cr.) | + | 1 Minor (24 cr.) | + | 42 elective credits | = | 90 credits / 3-year |

* Minors can be added to any 3- or 4-year baccalaureat program. In order to graduate with a four-year degree, you must complete a minimum of 120 credits. The chart above reflects the average number of credits required to complete the customized degree option. Other combinations are possible. Please refer to each program for specific program requirements. Note: Laurentian typically offers 3-credit (semester long) and 6-credit (fall and winter semesters) courses.

You should consider your options and how your study path can allow you to create a niche for yourself in the workforce or take you exactly where you want to go. This path starts at the undergraduate level and can lead directly to the workforce, to graduate studies, or to professional schools.

**Applying for bursaries
and financial aid really
does pay off!**

With Laurentian awards, campus jobs, and government funding options available, we can help you set a comfortable and manageable budget as you pursue your educational goals. The following is a sampling of the scholarships and bursaries available at Laurentian:

Academic Pathways Scholarships (\$1,000) – Awarded to qualifying students who have transferred directly from a Canadian university or who are graduating from an Ontario college. Students with an Ontario College two or three-year Diploma, with a minimum GPA of 80%, who were registered full-time from September to April at the previous post-secondary institution and who are registering in a full-time first degree undergraduate program are eligible. Enquire when submitting your application.

Band Funding – Students who are sponsored by an agency (e.g. EI, Band, or other) are eligible for financial support. To expedite processing, all required documentation should be provided at the time of registration.

Jim Fielding Memorial Bursary (\$15,000/year) – Awarded to students who may have struggled academically because of financial and personal challenges that limit their ability to concentrate on their studies. This award is renewable for three subsequent years. To be eligible, applicants must be registered as full-time students and

must demonstrate a financial need. In addition, they must be nominated by a teacher, guidance counsellor, or professional speaking on their potential and background.

Youth in Care – Former or current youth in the care of the Children's Aid Society who are pursuing their first postsecondary degree are eligible for a bursary of 2,000 dollars. This bursary is available to current and former youth in the care of the children's aid society (minimum of one year in care), who are pursuing their first post-secondary degree, studying full-time or part-time (prorated).

In order to qualify for the bursary, students must self-identify through the OSAP application process. Priority will be given to first degree, first-time applicants.

Admissions

Laurentian welcomes applicants from various educational and professional backgrounds. Whether you are a mature student applicant with no previous postsecondary education, a college applicant looking to apply your college diploma credits towards earning a degree, a transfer applicant from another university, and everything in between, you'll find your perfect fit among our host of program offerings and generous transfer agreements.

Mature Students

As a mature student, you may be working toward a degree after being away from formal education for several years or looking to expand your knowledge in a certain subject matter. We're here to help.

The admission status of "mature student" recognizes those adults without the previous academic prerequisites required for admission yet have interests and work experience that suggests anticipated success in university studies.

A mature student is someone who:

- is 19 years of age or older by the end of the academic year to which they have applied;
- has not attended a secondary or postsecondary institution for at least one calendar year before the beginning of their university studies;
- is not eligible for admission on any other basis.

Please note: the completion of the minimum requirements above does not guarantee admission to any course, program or department at Laurentian. For detailed instructions on how to apply, visit laurentian.ca/admissions/undergraduate.

ROSANNE PARENT

Master's in Human Studies
and Interdisciplinarity
Mature Student

"After years of building a family and working a successful career, I returned to Laurentian University and finished my undergraduate degree. Throughout my studies, I discovered a passion for research and learning, which propelled me to pursue higher learning. After completing my Master's degree overseas, I came back to Laurentian and I am currently in the doctoral program of Human Studies and Interdisciplinarity. Continuing my studies as a mature student and coming back to Laurentian was undoubtedly one the best decisions I could have made. This journey has been filled with knowledge, personal growth, and many new friendships interlaced with new experiences and avenues for my future."

Rosanne shares her experience on returning to her postsecondary studies.

Transfer Students

College and university students considering a transfer to Laurentian can expect a simple and straightforward application process and access to generous transfer agreements.

Consult the general transfer credit allocations and the specific college program pathways that may apply in your case. Once we receive your official transcripts, we will review your prior academic records to determine how we can expedite your postsecondary journey. Transfer applicants should note that conditional transfer credits may be granted, but are not guaranteed, using unofficial transcripts while we await final, official transcripts.

1-Year College Certificate Applicants

Did you know you can apply directly to university after completing a 1-year college certificate? A college certificate not only prepares you for a college diploma program, it also allows you to be admissible directly to a university degree program.* Contact a Laurentian representative today to learn more.

**1-Year College Diploma applicants are not eligible for transfer credits.*

2- or 3-Year College Diploma Applicants

Students who have completed a college diploma may be eligible for transfer credits to programs offered at Laurentian.

Transfer credits may be awarded based on prior studies and can be determined once you apply for admission and submit official transcripts. Laurentian offers equitable credit value for previous studies, with special considerations based on grades and program affinity. To help you make the most of your previous educational experience, these pathway options include a full roster of program articulations between Ontario colleges and Laurentian University.

If a pathway agreement has been established between your former college and Laurentian University, the transfer credits are already determined based on your cumulative program GPA. For up-to-date pathway agreements between Laurentian and Ontario colleges, visit laurentian.ca/admissions/undergraduate/college-transfer-applicants.

CÉGEP Applicants

Students with one year of studies at a « Collège d’enseignement général et professionnel (CÉGEP) » are eligible for admission to a degree program at Laurentian. Students must have completed a minimum of 12 academic semestered courses to apply.

DEC Applicants

Applicants who have completed their « Diplôme d’études collégiales (DEC) » are not only admissible to programs at Laurentian, they are also eligible for up to 30 credits of advanced standing. That is the equivalent of one year of study! Contact us to learn more.

University Applicants

Laurentian University recognizes prior learning from many post-secondary institutions. Students who have completed university credits may be eligible for admission with advanced standing (transfer credits) on a course-by-course basis to programs offered at Laurentian. Transfer credits may be awarded based on prior studies and minimum grades in required courses. Course descriptions may be required.

EMILY BENEDICIC

Bachelor of Arts,
Bachelor of Education
Transfer Student, Collège Boréal

“Transferring from Collège Boréal to Laurentian was a great experience. Not only was the process quick and simple, Laurentian offered me three full semesters of transfer credits – nearly double what was offered by other universities. I was able to complete a Bachelor of Arts and a Bachelor of Education and am now in the process of completing a Master's program. Thanks to Laurentian, my experience has been filled with rich experiences, friendships and learning opportunities.”

Emily shares her experience as a transfer student.
