PERSONAL PROFILE

Your personal profile is an important part of the overall assessment of your application. This is your opportunity to tell us why you think you would be a good candidate for the School of Midwifery at Laurentian University.

The items listed below provide an outline for the profile. As you can see, we are asking you to tell us about yourself: your strengths, experiences, aspirations, and plans. Keep in mind that Laurentian University is a bilingual (English and French), tricultural (Anglophone, Francophone and First Nations) university. We have a strong interest in preparing practitioners for northern rural and remote communities.

Your profile will be read and scored by the Laurentian Midwifery Admissions Team. Your score will be based on your ability to address the items in a comprehensive and personal manner.

Include examples of your personal experiences with your profile. Answers that are very brief or that provide only general information will receive low scores. We do not expect you to include details about the profession of midwifery or the history and development of midwifery in Ontario.

Note: The profile must be written in the language of the program to which you are applying. Please see instructions that follow the "Personal Profile Items" to help you complete your personal profile.

PERSONAL PROFILE ITEMS

You must address each of the four (4) items listed below. Each section need not be of equal length.

1. Why do you want to study Midwifery?
2. Describe how your personal attributes, qualities and experiences will contribute to your suitability and success in the midwifery program.
3. Describe the challenges, as you understand them, of being a Laurentian University midwifery student.
How will you cope with these challenges?
4. Describe the advantages and challenges, as you understand them, of being a midwife in a northern, rural or remote community.

INSTRUCTIONS FOR COMPLETING PERSONAL PROFILE

If you do not adhere to these instructions, we cannot guarantee that your profile will be read and scored.

- Your profile must be typed and submitted on-line via the applicant portal.
- Use a 12 point font.
- Use double spacing.
- Leave a 2.5 cm margin on all 4 edges of the page.
- Do not exceed five (5) pages **not including the cover page**.
- Address each of the four (4) items.
- The profile must be written in the language of the program to which you are applying.
- Number your profile sections to correspond to the four (4) items.
- Include a cover page with your personal profile and make sure to **include your name on the cover page only**.
