

Workshop for SSHRC Insight Grant

The Office of Research Services is holding a workshop for Laurentian University researchers who are interested in applying to the Social Sciences and Humanities Research Council's (SSHRC) [Insight grant](#) this fall (SSHRC deadline, October 1st).

In this workshop, we will provide an overview of what and for whom the grant is for, breakdown each section of the application and provide useful tips for applicants. There will also be an opportunity for participants to ask project-specific questions.

When?

English Workshop: August 24, 2020, at 1:30 p.m.

French Workshop: August 26, 2020, at 10:00 a.m.

To register, please send an email to the facilitator, Andrée Noiseux, at aj_noiseux@laurentian.ca. A Zoom link will be sent directly to the participants.

If you are interested in the workshop but the **date does not work for you**, please email to Andrée to let her know as we could find a second alternate date.

For those interested in applying to the **Insight Development** opportunity in February, please note that another workshop, specific to that grant, will be held later this year (email to be sent out at a later date).
