

SAFE RETURN TO CAMPUS

LAURENTIAN UNIVERSITY PROTOCOLS

As we enter Phase 2 and gradually return to campus, the health and well-being of our community is our top priority. To reduce the risk of exposure to the COVID-19 virus, we have put in place rigorous protocols and processes which follow federal, provincial and municipal governmental guidelines as well as public health directives. By diligently following these guidelines (click icons/links), we are ensuring our individual well-being as well as that of all members of our community.
