in the heart of
the city.

Welcome to Greater Sudbury!

As the Northern Ontario hub for education, health, arts and entertainment, business, government, mining and retail, the City of Greater Sudbury offers the unique advantages of a metropolitan city while remaining a truly tight-knit community. Combined with its enviable natural setting of freshwater lakes and boreal forests, it offers an outstanding quality of life.

OUR CAMPUS

An environment in
which you will thrive!

Nestled among five freshwater lakes, our campus is minutes from the downtown area and comprises close to 700 acres of land that adjoin the vast Lake Laurentian Conservation Area. Nature is at the core of the University's identity, and learning here, in this awe-inspiring natural environment, is a true pleasure for the senses.

LAND ACKNOWLEDGMENT – We would like to acknowledge the Robinson-Huron Treaty of 1850. We also further recognize that Laurentian University is located on the traditional lands of the Atikameksheng Anishinaabek and that the City of Greater Sudbury also includes the traditional lands of the Wahnapiatae First Nation. We extend our deepest respect to Indigenous peoples – as a sign of our continued relationship we will support Laurentian University's Truth and Reconciliation Task Force Recommendations. Miigwech.

BALANCE YOUR LIFESTYLE

As a Laurentian student, you'll find plenty to do and experience.

We care about your well-being.

We understand that a healthy lifestyle supports and strengthens academic success. Our world class recreation centre and surrounding outdoor tracks, trails, and fields provide the perfect setting for all your wellness goals. Beyond the busy life on campus, you'll find plenty to do and enjoy in your host city. Leisure activities run the full gamut from adventure and arts, all the way to yoga and paddle boarding. There's something here for every aspect of your personality, interest, and energy level.

- ▶ 4 well-appointed multi-use gyms
- ▶ 35 kilometers of multi-use trails
- ▶ 15m Tango Tower challenge course
- ▶ 8m climbing towers
- ▶ 400m outdoor track
- ▶ 200m indoor track
- ▶ 11 kilometer ski trail system
- ▶ 700 sq.m. of training space

Experience. Learn. Share.

Student Centre

The Student Centre serves as the hub between student living quarters, the main campus buildings and food services. It's where you'll find the SGA offices and information desk (V-Desk) as well as a photography studio. The functional space of the building features an atrium with study and lounge facilities, private study rooms, an open-concept games room and a clubs room. Full access to SGA members, or otherwise through the purchase of a membership pass!

The combined efforts of the student associations, student clubs, and residences make for a flurry of activities and events on and off campus.

YOUR SUCCESS

Students thrive in an environment that supports their academic success.

Laurentian offers several services to support you while you complete your studies. These include academic advising, writing assistance, childcare services, financial support and so much more:

Online Courses/Programs – Laurentian Online offers online degree programs, in both English and French. Our full offerings include undergraduate, master's and certificate programs. For more information consult page 26.

Student Success Centre – The Student Success Centre helps students transition to university and stay on track throughout their studies. Our friendly staff, tutors, academic advisors, and coaches are here to help all Laurentian students reach their full potential. For more information, visit laurentian.ca/student-success-centre.

Childcare Services – There are two daycare providers right here on campus:

Garderie Touche-à-Tout: Provides childcare (en français) for children from birth to 6 years of age.

Laurentian Child and Family Centre: Provides full-time care for children from birth to 4 years of age. They also provide before/after school care along with a special summer program for children 4-12 years of age.

Laurentian students are prioritized for the on-campus childcare services. For more information, visit the following website: daycaresudbury.ca.

Interested in becoming
a Voyageur athlete?
We want to hear from you!

Athletic Scholarships

As a Voyageur athlete, you will be
dedicating a great deal of time to your
studies, training and competitions, with
fewer opportunities than most for part-
time employment.

We recognize the importance of financial
support for our athletes. Laurentian's
athletic scholarships and entrance
bursaries are generous and wide-ranging.
It is important to investigate them early
on and determine how to qualify.

LA FRANCOPHONIE

Certificate of Bilingualism

A valuable asset for your job search and career progression!

Laurentian offers you the unique opportunity to complement your degree with a Certificate of Bilingualism which highlights your language competencies and demonstrates that you are officially bilingual. To do so, you need to ensure that you acquire a minimum of 15 credits in courses offered in English or French – whichever is not your language of study – during your program at Laurentian.

36.6%
of the Greater Sudbury
community is fluent
in both official languages

Laurentian's Association des étudiants et étudiantes francophones (AEF) is engaged and attentive to the needs of the francophone and francophile student population.

Francophone Entrance Scholarship

\$1,250/year

This scholarship is available to high school students entering a French language program who are enrolled in a minimum of 24 credits of courses offered in French.

To be admissible, students must have a minimum entry average of 80% in their best 6 4U/M courses or equivalent, including the required courses for their program of choice. For the Scholarship to renew annually, students must maintain an average of 80% and be enrolled in a minimum of 24 credits of courses offered in French. The Francophone Entrance Scholarship is renewable for 3 years.

**35
programs**
in French

**511
courses**
in French

**106
pathways**
in French

At Laurentian, 24% of the student population pursues studies in French, while francophones make up 30% of the student population.

As such, the learning environment is ideal for students who wish to improve and enhance their language skills in Canada's two official languages.

- Scholarships and awards
- Cultural events and activities
- French as a Second Language (FSL) course and program offerings
- Language Learning Centre
- Research hubs
- Political engagement
- Networking and cultural engagement opportunities

Pour une francophonie inclusive. *Ici. Maintenant.*

ANISHINAABE CULTURE

Celebrating Anishinaabe culture and the sharing of knowledge and traditions are part of everyday life on campus.

As a Laurentian student, participation is easy and one of the best ways to create a wide network of friends. Some of the favourite ISA events and activities include:

- ▶ Biidaabin
- ▶ Orange Shirt Day
- ▶ Indigenous Student Celebration
- ▶ Métis Cultural Day
- ▶ Nakiwin Tek
- ▶ Red Dress Campaign
- ▶ Moose Hide Campaign
- ▶ Ceremonies
- ▶ Cultural teachings
- ▶ Academic workshops
- ▶ Mental health awareness

250+

activities,
workshops
and events

Indigenous Student Affairs Office

Ongoing engagement opportunities include traditional ceremonies, language learning, storytelling, cultural workshops, lecture series, student project fairs, which are hosted by the Indigenous Student Affairs office and the Indigenous Students Circle. Our campus is greatly enriched by an active and engaged Indigenous community and the shared learning approach of the Indigenous Student Affairs Office.

EXPERIENTIAL LEARNING

At Laurentian, we recognize that experience is essential to the success of our graduates entering the workforce.

Experiential learning opportunities for our students are available in the form of enhanced leadership development, entrepreneurship and applied learning in varied settings to enhance their skill sets.

The Foundry – The Foundry is an innovation, entrepreneurship and leadership development program located within the spacious Jim Fielding Innovation and Commercialization Space at Laurentian. The Centre aims to support Laurentian students, staff, faculty, and alumni as they strive to develop innovative, creative, and professional skill sets and launch entrepreneurial ventures on campus. In addition to open collaborative spaces and dedicated meeting rooms, users also have access to a Makerspace facility with 3D printers, SOLIDWORKS® as well as other design software, a CNC Mill and laser cutter for training and product development purposes. Stop by the Fielding Innovation Centre or visit us online at laurentian.ca/fielding-innovation-centre.

Co-op Experience – This extensive work-integrated learning experience offers students a chance to gain a full year of paid employment to complement their academic studies. Programs offering co-ops include: Architecture, Computer Science, Engineering (Chemical, Mining and Mechanical streams), Business Administration, Sciences (Specializations in Chemistry, Biochemistry, Pharmaceutical Chemistry and *Biochimie*).

Internships – Internships pair students with employers to complete placements that vary in length depending on the program. The format provides students with a chance to work in a professional environment and gain valuable experience while often leading to full-time employment opportunities following graduation.

Leadership – Leadership opportunities abound on campus as teamwork is an integral part of career preparation. Laurentian's Mineral Resources Industry Leadership Certificate program is one such example, ensuring students stand out through project management training, field trips, and extensive networking engagement.

Placements and Practicums – Practicums and placements provide unpaid work experience under the supervision of an experienced registered or licensed professional in programs that require practice-based work experience for professional licensure or certification.

Research – Laurentian offers many of its undergraduate students opportunities for research, thanks to small class sizes and outstanding professor to student ratio. Having a chance to learn with leading experts in the field in the early stages of your postsecondary journey is one of the unique and powerful advantages of studying at Laurentian.

How does experiential learning enhance your in-class education?

- Gain professional work experience prior to graduation, resulting in enhanced career clarity and employability.
- Earn academic credit, and in some cases, wages while applying what you've learned.
- Strengthen interpersonal skills, self-confidence, and leadership abilities.
- Forge new relationships and create a network of professional and personal contacts.
- Connect and engage with prospective employers.

Choose meaningful learning opportunities beyond the classroom:

- | | |
|---------------------------|---------------------------|
| ▶ Applied research | ▶ Labs |
| ▶ Field placements | ▶ Travel |
| ▶ Professional practicums | ▶ Events and competitions |
| ▶ Case studies | ▶ Study abroad |
| ▶ Co-op experience | ▶ Community volunteering |
| ▶ Consulting projects | ▶ Internships |
| ▶ Capstone projects | ▶ Workplace projects |

Discover additional opportunities for experiential learning at Laurentian including Work Study employment on campus, clubs, volunteering, peer supports, student associations, and more!

CUSTOMIZE YOUR DEGREE

Loving what you do is how you will live your life to the fullest. Laurentian provides you with the opportunity to focus on a pathway to the career of your dreams.

Building and customizing your degree to include unique and/or complementary subject combinations can give you an advantage in the workforce.

We make it easy for you to pair subjects you are passionate about while setting you off on a path to a rewarding and fulfilling career. Embarking on a journey that combines your aptitudes and interests is the best way to ensure you are passionate about your future career. Loving what you do is how you will live your life to the fullest. This path starts at the undergraduate level and can lead to graduate studies or professional schools.

Sample degree combinations* in BA and B.Sc. programs

Each program has a certain number of required specialized courses that must be taken in order to successfully complete the program of study. Electives are courses that allow you to explore other areas of interest that can expand your career options. You can group electives into one field of study to enhance and/or complement your degree, thus creating minors, concentrations, and majors.

4 years						
1 Specialization (60 cr.)	+	---	+	60 elective credits	=	120 credits / 4-year
1 Major (42 cr.)	+	1 Minor (24 cr.)	+	54 elective credits	=	120 credits / 4-year
1 Major (42 cr.)	+	1 Major (42 cr.)	+	36 elective credits	=	120 credits / 4-year
3 years						
1 Concentration (36 cr.)	+	---	+	54 elective credits	=	90 credits / 3-year
1 Minor (24 cr.)	+	1 Minor (24 cr.)	+	42 elective credits	=	90 credits / 3-year

* Minors can be added to any 3- or 4-year baccalaureat program. In order to graduate with a four-year degree, you must complete a minimum of 120 credits. The chart above reflects the average number of credits required to complete the customized degree option. Other combinations are possible. Please refer to each program for specific program requirements. Note: Laurentian typically offers 3-credit (semester long) and 6-credit (fall and winter semesters) courses.

SOFTWARE/MOBILE APP DEVELOPER

Degree: Computer Science or Game Design (B.Cosc.)
Minor: Business Administration

ECO-FINANCIAL ANALYST

Degree: Earth Sciences
Minor: Economics
Graduate Studies: Master's of Science in Geology

GERIATRICIAN

Degree: Gerontology
Minor: Biochemistry
Professional School: Medical School

You should consider your options and how your study path can allow you to create a niche for yourself in the workforce or take you exactly where you want to go. This path starts at the undergraduate level and can lead directly to the workforce, to graduate studies, or to professional schools:

WORKFORCE

Laurentian's post-graduation employment rate has consistently ranked in the **TOP 3** among all universities in the province for more than a decade! 93% of our grads find meaningful employment within six months of graduation, **with 98% of graduates being gainfully employed after two years.**

GRADUATE STUDIES

Laurentian offers a robust list of graduate programs at the master's and doctoral levels.
Consult our graduate program offerings listed at: laurentian.ca/graduate-programs.

PROFESSIONAL SCHOOLS

If you are planning on pursuing studies in education, law, medicine or other professional disciplines, Laurentian offers the undergraduate programs and research opportunities needed to further your goals.
(Consult us for details on this pathway.)

*Supplemental fees may apply to certain courses in addition to tuition. Fees pertain to the 2025-2026 academic year. At the time of printing, tuition and incidental fees for the 2026-2027 academic year were not available. Please consult our website at [laurentian.ca/fees-financing](https://www.laurentian.ca/fees-financing) for up-to-date information.

• Note that tuition is based on the credit load (number and duration of courses).

• Part-time students (fewer than 18 credits of study) and students with partial full-time (18-27 credits) loads are encouraged to consult our website for further breakdown of fees.

Please Note: Online students, whether studying full-time or part-time, will be billed using the part-time fee model (per 3 credits).

Financial Assistance

Financial assistance can come in the form of scholarships, bursaries, loans as well as on-campus jobs. Our team is here to assist you in navigating these opportunities.

Financial Aid Hotline

The Financial Aid Hotline is a service that provides all students with a direct line to our financial aid specialists. Let our team of experts answer your questions and assist you with your inquiries regarding OSAP applications, other provincial/federal student loan applications, Laurentian awards (bursaries and scholarships), and alternate funding options.

**Wednesday
9 a.m. – 4 p.m.**

**Please call 1-866-387-3879
to reach a financial aid
specialist directly.**

Applying for bursaries and financial aid really does pay off!

With Laurentian awards, campus jobs, and government funding options available, we can help you set a comfortable and manageable budget as you pursue your educational goals. The following is a sampling of the scholarships and bursaries available at Laurentian:

Academic Pathways Scholarships (\$1,000)

– Awarded to qualifying students who have transferred directly from a Canadian university or who are graduating from an Ontario college. Students with an Ontario College two or three-year Diploma, with a minimum GPA of 80%, who were registered full-time from September to April at the previous post-secondary institution and who are registering in a full-time first degree undergraduate program are eligible. Enquire when submitting your application.

Government First Nations, Métis or Inuit Sponsorship

– Students who are sponsored by a government agency are eligible for financial support. To expedite processing, all required documentation should be provided at the time of registration.

Jim Fielding Memorial Bursary (\$15,000/year)

– Awarded to students who may have struggled academically because of financial and personal challenges that limit their ability to concentrate on their studies. This award is renewable for three subsequent

years. To be eligible, applicants must be registered as full-time students and must demonstrate a financial need. In addition, they must be nominated by a teacher, guidance counsellor, or professional speaking on their potential and background.

Youth in Care –

Former or current youth in the care of the Children's Aid Society who are pursuing their first postsecondary degree are eligible for a bursary of 2,000 dollars. This bursary is available to current and former youth in the care of the children's aid society (minimum of one year in care), who are pursuing their first post-secondary degree, studying full-time or part-time (prorated). In order to qualify for the bursary, students must self-identify through the OSAP application process. Priority will be given to first degree, first-time applicants.

Graduate Programs, Diplomas, and Certificates

The Graduate Studies department is home to 1,979 graduate students who are in the frontline of extensive research initiatives. Our offerings include 35 Master’s and nine PhD programs.

We offer an ideal environment for advanced learning, with small classes and the opportunity to pursue research alongside professors with international reputations. Our graduate curriculum builds on a solid tradition of innovative programs, creativity, collaboration, and ground-breaking research. We are proud of our value-added, high-quality graduate education that offers you every opportunity to excel and push the boundaries of knowledge.

Did you know?

- Laurentian Online courses are geared towards asynchronous learning.
- Online students can apply for financial assistance.

Join us for monthly information sessions about online learning at Laurentian.
www.laurentian.ca/online-info-session

Full program and course descriptions can also be found at laurentian.ca/graduate-programs.

The information contained in this guide is accurate as of August 31, 2025. Up-to-date information is available on our website.

ADMISSIONS

Laurentian welcomes applicants from various educational and professional backgrounds. Whether you are a mature student applicant with no previous postsecondary education, a college applicant looking to apply your college diploma credits towards earning a degree, a transfer applicant from another university, and everything in between, you'll find your perfect fit among our host of program offerings and generous transfer agreements.

Mature Students

As a mature student, you may be working toward a degree after being away from formal education for several years or looking to expand your knowledge in a certain subject matter. We're here to help.

The admission status of "mature student" recognizes those adults without the previous academic prerequisites required for admission yet have interests and work experience that suggests anticipated success in university studies.

A mature student is someone who:

- is 19 years of age or older by the end of the academic year to which they have applied;
- has not attended a secondary or postsecondary institution for at least one calendar year before the beginning of their university studies;
- is not eligible for admission on any other basis.

For full time studies, apply online to Laurentian University through the Ontario Universities' Application Centre at ouac.on.ca. Upload the following documents to Laurentian's Office of Admissions on the Applicant Portal at my.laurentian.ca.

- Letter outlining the reasons for pursuing university studies
- Resume or CV specifying current education, interests and work experience

Please note: the completion of the minimum requirements above does not guarantee admission to any course, program or department at Laurentian. For detailed instructions on how to apply, visit: laurentian.ca/admissions/undergraduate

I'm completing my 4th year in Indigenous Social Work as a mature student. While I consider myself a lifelong learner, my goal after graduation is to open a social work practice and be a helper to members of my own community. I feel Laurentian has set me on a firm path to achieving my goals.

ROXANNE RECOLLET
Indigenous Social Work, 4th year

Transfer Students

College and university students considering a transfer to Laurentian can expect a simple and straightforward application process and access to generous transfer agreements.

Consult the general transfer credit allocations and the specific college program pathways that may apply in your case. Once we receive your official transcripts, we will review your prior academic records to determine how we can expedite your postsecondary journey. Transfer applicants should note that conditional transfer credits may be granted, but are not guaranteed, using unofficial transcripts while we await final, official transcripts.

1-Year College Certificate Applicants

Did you know you can apply directly to university after completing a 1-year college certificate? A college certificate not only prepares you for a college diploma program, it also allows you to be admissible directly to a university degree program.* Contact a Laurentian representative today to learn more.

*1-Year College Diploma applicants are not eligible for transfer credits.

2- or 3-Year College Diploma Applicants

Students who have completed a college diploma may be eligible for transfer credits to programs offered at Laurentian.

Transfer credits may be awarded based on prior studies and can be determined once you apply for admission and submit official transcripts. Laurentian offers equitable credit value for previous studies, with special considerations based on grades and program affinity. To help you make the most of your previous educational experience, these pathway options include a full roster of program articulations between Ontario colleges and Laurentian University.

If a pathway agreement has been established between your former college and Laurentian University, the transfer credits are already determined based on your cumulative program GPA. For up-to-date pathway agreements between Laurentian and Ontario colleges, visit laurentian.ca/admissions/undergraduate/college-transfer-applicants.

CÉGEP Applicants

Students with one year of studies at a « Collège d'enseignement général et professionnel (CÉGEP) » are eligible for admission to a degree program at Laurentian. Students must have completed a minimum of 12 academic semestered courses to apply.

DEC Applicants

Applicants who have completed their « Diplôme d'études collégiales (DEC) » are not only admissible to programs at Laurentian, they are also eligible for up to 30 credits of advanced standing. That is the equivalent of one year of study! Contact us to learn more.

University Applicants

Laurentian University recognizes prior learning from many postsecondary institutions. Students who have completed university credits may be eligible for admission with advanced standing (transfer credits) on a course-by-course basis to programs offered at Laurentian. Transfer credits may be awarded based on prior studies and minimum grades in required courses. Course descriptions may be required.

	COLLEGE STUDIES	GPA	CREDITS GIVEN
Transfer to other programs	3-year diploma	80 - 100%	36 credits*
		70 - 79.9%	24 credits*
		65 - 69.9%	18 credits*
	2-year diploma	80 - 100%	30 credits*
		70 - 79.9%	18 credits*
		65 - 69.9%	12 credits*

	COLLEGE STUDIES	GPA	CREDITS GIVEN
Transfer to the Arts	3-year diploma	80 - 100%	54 credits*
		70 - 79.9%	36 credits*
		65 - 69.9%	24 credits*
	2-year diploma	80 - 100%	42 credits*
		70 - 79.9%	24 credits*
		65 - 69.9%	12 credits*

*Depending on the degree of affinity with the student's college program.

I transferred to Laurentian from the Chemical Sciences Technology Program at Mohawk College in 2019. The Earth Sciences program at Laurentian has given me the opportunity to expand my knowledge of chemistry, physics and biology and has offered me some incredible opportunities for co-ops and travel. Laurentian is also uniquely positioned to offer the geological formations and rock samples on its very grounds that we are studying and analysing in class.

DEVON PATTERSON

Earth Sciences, 3rd year

Connect today with a mature and transfer student specialist to discuss your individual pathway options.

Language Proficiency Requirements

► In order to be admitted to a program offered in **ENGLISH**, applicants must meet one of the following language admission requirements:

ENGLISH PROFICIENCY REQUIREMENTS	MINIMUM SCORE/LEVEL
You have been educated in Canada and your first language is English, or you are a bilingual Francophone Canadian.	• Equivalent of Grade 12 academic English
Students can meet language requirements for direct entry by pursuing one of the two approved English language programs:	1. Completing Laurentian University's EAP Level 3 (CEFR C1) with a minimum overall score of 70%. This program is offered at Laurentian University with intakes in September, January and May. Each level of the program is 11 weeks. For any questions about the Laurentian University EAP program, please contact languageprogram@laurentian.ca . OR 2. Completing the International Language Academy of Canada (ILAC) EAP Level 16 or Certificate PW 3.3 for direct entry into Laurentian University programs. For any questions about the ILAC EAP program, contact info@ilac.com .
<i>Note: English as a Second Language (ESL) programs do not qualify you for this exemption and cannot be included in the number of years of full-time education in an English-language school system. IB and/or AP English courses also do not qualify for an exemption from the English language requirements.</i>	

ENGLISH PROFICIENCY TESTS	MINIMUM SCORE/LEVEL
Internet-based TOEFL (iBT & iBT @ Home Edition) – Test Of English as a Foreign Language	• 88 overall
IELTS Academic and IELTS One-Skill Retake – International English Language Testing System	• 6.5 overall • No band lower than 6.0
Cambridge Assessment English	• C1 Advanced or C2 Proficiency with a Cambridge score of 176 or more
CAEL – Canadian Academic English Language Assessment	• 70 overall • No part below 60
Canadian Test of English for Scholars and Trainees – CanTEST	• 4.5 overall • No part below 4
PTE Academic – Pearson Test of English	• 60 overall
DuoLingo English Test	• 125 overall • No individual subscore in speaking, writing, reading and listening lower than 110
<i>Note: English language test scores are valid if completed within 2 years of when we review your application.</i>	
<i>Academically admissible applicants who do not present appropriate English Proficiency Requirements for the program of interest will be automatically offered a conditional offer of admission based on the completion of an English for Academic Preparation (EAP) program with one of our approved partners.</i>	

► In order to be admitted to a program offered in **FRENCH** or a **BILINGUAL** program, a student must meet one of the following language admission criteria:

FRENCH PROFICIENCY REQUIREMENTS	MINIMUM SCORE/LEVEL
Three years of full-time study in a high school or post-secondary institution where French is the language of instruction (documentation must be provided by the student)	
Test de connaissance du français (TCF) – version for prospective students	• Minimum score of C-1 (advanced)
Written component of the Test d'évaluation du français (TEF)	• Minimum score of C-1
Diplôme approfondi de langue française (DALF)	• Minimum score of C-1

Applying for Admission

Before you apply, you will require the following information:

- The date you attended a prior institution (month and year)
- Your student number from prior institutions in order to access your transcripts for submission through the Ontario University Application Centre (OUAC).

To accept your offer, visit ouac.on.ca, log into your account, and follow the instructions to accept. OUAC will send your response to our Office of Admissions.

For full descriptions of our admission steps, please visit laurentian.ca/how-to-apply/canadian-undergraduate-applicants.

► **Alternate Offers** – You may receive an Alternate Offer. Take the time to review the offer and learn more about the suggested program(s) by consulting our website or speaking with one of our Liaison staff.

We look forward to welcoming you. Should you require assistance, don't hesitate to contact us at info@laurentian.ca or 1-800-263-4188.

Admission Requirements

There are a number of ways you can meet admission requirements for programs at Laurentian. This chart identifies the equivalencies between high school requirements and the interchangeability with credits earned through public colleges and universities.

■ ■ ■ ■ See Steps to Apply on page 33.

* If English or French is not your first language or mother tongue, you will be required to provide evidence of language proficiency. See page 32 for more details.

• Admission selection is based upon overall submission criteria and not solely on minimum averages.

Glossary of Terms

Undergraduate Studies – Studies at the postsecondary level, typically for the achievement of a bachelor's degree.

Graduate Studies – Studies at the post-graduate level, typically for the achievement of a master's or doctoral degree.

Bachelor's Degree – An undergraduate program that covers a major area of study and that typically takes four years to complete.

Master's Degree – A graduate level program that follows the undergraduate degree and focuses on a particular area within a field of study. Typically, this one to two-year program consists of a thesis or capstone project.

Doctoral Degree – The most advanced degree that symbolizes the mastery of a specific area of study or field of profession, it involves a major research project or dissertation. It typically takes several years to complete.

Synchronous Instruction – instructors and students gather at the same time to interact in 'real time'.

Asynchronous Instruction – course materials are prepared in advance, and students can access these materials at a time of their choosing. They can then interact with their instructor and peers through online channels in 'real time', when it is most convenient for the group.

Full-time status – Enrollment in 18-30 credits per academic year.

Part-time status – Enrolled in a minimum of 3 credits to a maximum of 15 credits per academic year

3-credit courses – Courses that run for a single semester (i.e. September to December or January to April).

6-credit courses – Courses that run for a full academic year (ie: September to April).

BA – Bachelor of Arts

BAS – Bachelor of Architectural Studies

BBA – Bachelor of Business Administration H.B.Com.

SPAD – Honours Bachelor of Commerce in Sports Administration

B.Cosc. – Bachelor of Computer Science

B.Ed. – Bachelor of Education

B.Eng. – Bachelor of Engineering

BPHE – Bachelor of Physical and Health Education

B.Sc. – Bachelor of Science BScN – Bachelor of Science in Nursing

HBSW – Honours Bachelor of Social Work

3-Year Degree – Requires a minimum of 90 credits.

4-Year Degree – Requires a minimum of 120 credits.

Primary/Junior Division Teachers – qualified to teach Junior Kindergarten to Grade 6.

Junior/Intermediate Division Teachers – qualified to teach Grades 4 to 6 and Grades 7 to 10 and are certified in a single subject taught in these grades.

Certificate – Requires 30 credits within a distinct field of study.

Concentration – A way of enhancing your degree by selecting a group of courses that are thematically related and requires a minimum of 36 credits within a distinct field of study.

Major – Indicates a specialization by completing a minimum of 42 credits concentrated on one specific field of study.

Minor – Indicates a small area of concentration by completing a minimum of 24 credits in a specific field of study.

Specialization – Indicates a higher degree of specialization in a subject area by completing a minimum of 60 credits concentrated on one specific field of study.

Mature Student – someone who is 19 years of age or older by the end of the academic year to which they have applied; has not attended a secondary or postsecondary institution for at least one calendar year before the beginning of their university studies; is not eligible for admission on any other basis.

Transfer Student – A student who is transferring from a current post-secondary institution to a program at Laurentian.

CÉGEP Applicant – Students with one year of studies at a « Collège d'enseignement général et professionnel (CÉGEP) »

DEC Applicant – Applicants who have completed their « Diplôme d'études collégiales (DEC) »

Important Dates

► September 27-28, 2025

ONTARIO UNIVERSITY FAIR (OUF)

Meet and chat with Laurentian University students, staff, and faculty at the Metro Toronto Convention Centre! **Find us at booth #3!**

► October 25, 2025

FALL OPEN HOUSE

The Laurentian University event to attend; you will discover the facilities and learn every detail about what education and student life is like as a Voyageur! Get all the details at: **laurentian.ca/explore**.

► Application Deadlines for Limited Enrolment Programs (All applicants)

- Bachelor of Science in Nursing (Fall entry only) – February 1, 2026
- Bachelor of Indigenous Social Work (Fall entry only) – February 1, 2026
- Bachelor of Architectural Studies (Fall entry only) – February 13, 2026

► March 21, 2026

SPRING OPEN HOUSE

Get a preview of what to expect as a first-year student at Laurentian! Get all the details at: **laurentian.ca/explore**

► June 1, 2026

Residence application deadline

► June 12, 2026

OSAP recommended date to submit your Fall/Winter application (and all required documents) to receive funds at the beginning of the Fall term.

► August 1, 2026

Application deadline for students residing outside Ontario (Open enrolment programs)

► August 27 – August 29, 2026

MOVE-IN! Pack your bags! It's time to make your way to Sudbury and move into your new digs!

► Term start dates. Looking forward to meeting you!

FALL TERM – September 9, 2026

WINTER TERM – January 4, 2027

SPRING TERM – May 3, 2027

Let's connect!

What better way to get a feel for life at Laurentian than to connect with our students? At Laurentian, we've dedicated our time to being where you are. Follow us on Facebook, X, YouTube, and Instagram to see what our students have to say.

Sudbury, Ontario, Canada • **laurentian.ca**
