

Freedom of Speech Annual Report Template (2026)

As indicated in the December 14, 2018 and September 12, 2018 memos from the then Ministry of Training, Colleges and Universities, each of Ontario's publicly-assisted colleges and universities is to prepare an annual report on the implementation of a free speech policy. Please use this template; you may append additional documents or institution-specific information as you see fit.

The institutional Freedom of Speech Annual Report will be a public document and must respect privacy obligations. Please report on events or incidents that took place between **August 1, 2025** and **July 31, 2026**.

The reports are to be posted on the institution's website and submitted to the Ministry of Colleges, Universities, Research Excellence and Security's Postsecondary Education Policy Branch by **September 25, 2026**.

Please submit your institution's annual report and the link to its location on your website to psepolicy@ontario.ca. Please reach out to the ministry's Postsecondary Education Policy Branch at the same address with any questions.

Section A: Institutional Policy

You may append additional documentation or institution-specific information as you see fit.

Has your institution amended its free speech policy (or policy framework) since the time of your 2025 report? If so, please explain the reason for the change and provide the link to its location on your institutional website.

The Laurentian University Policy on the Freedom of Speech (Freedom of Expression) has not been amended since the time of our last report. A link to the Policy can be found here: <https://laurentian.ca/about/policies-accountability/policy-freedom-of-speech>.

Where are members of the institutional community (or guests) directed when there is a free-speech-related question or complaint about an institutional event? Please provide contact information.

A number of pathways exist for questions and complaints under the Policy, including the Office of the President (president@laurentian.ca) and to the Equity, Diversity, and Human Rights Office (edhr@laurentian.ca).

What is your institution's policy on holding events where there are security concerns? To your knowledge, were there any instances where a non-curricular event did not proceed due to security concerns or their related costs?

The University supports freedom of expression on its campus. The University's room booking process determines the level of security that may be needed to ensure the security of all participants and speakers. To our knowledge, no non-curricular events were cancelled due to security concerns or their related costs in the last year.

Section B: Complaints

You may append additional documentation or institution-specific information as you see fit.

Between **August 1, 2025** and **July 31, 2026**, did any member of the institutional community (or guests) make an official complaint about free speech? If yes, please provide a general description that protects the privacy of complainants.

There have been no official complaints about freedom of expression at Laurentian University during the reporting period.

If there has been an official complaint (or more than one):

What were the issues under consideration? Please identify any points of contention (e.g., security costs, safety, student unions and/or groups, operational requirements, etc.).
